

MEA-MFT VOTING RECORD

2017 MONTANA LEGISLATURE

2017 LEGISLATIVE SUMMARY

Montana's every-other-year, 90-day legislative session is always a wild ride for MEA-MFT.

We knew going into the 2017 session that it would have its own special blend of difficulties.

Montana began the session with a budget crisis caused by a serious dip in tax revenues. The state ending fund balance dropped from \$354 million after the 2015 session to \$110 million as the 2017 session began.

As a result, the governor's office proposed an austere state budget. Legislative budget committees proposed even deeper cuts.

Despite the odds, MEA-MFT managed to hold the line on most of our members' priorities and even make some gains. Some highlights:

STATE PAY PLAN: Once again, the Republican House failed to pass HB 13, the state employee pay plan bargained between MEA-MFT and our fellow state employee unions with the governor's office.

However, bill sponsor Moffie Funk (D-Helena), MEA-MFT, and MPEA persisted, working with reasonable Republican legislators to get an altered version of the pay plan passed in SB 294. State employees will receive 1% base pay increases in 2018 and 2019. The Montana University System will receive increased funding of the state's share (about \$2.6 million) of faculty and staff pay.

K-12 FUNDING: Montana's public schools faced cuts of about \$42 million early in the session.

Worse yet, plans called for cutting into key pillars of the school funding formula, thus making permanent cuts in school districts' budget authority (their ability to spend dollars on children's education).

MEA-MFT worked closely with our allies in the Montana Public Education Center (MT PEC) to protect the school funding formula and k-12 districts' budget authority.

We succeeded. We avoided cuts to school districts' budget authority. We gained inflationary increases on all school formula elements (including special education for the first time).

We also got SB 115 passed, helping address recruitment and retention of teachers through annual stipends for National Board Certified teachers. We gained a new state/lo-

cal partnership solution to school facility maintenance. And we defeated every school privatization bill.

HIGHER EDUCATION: We succeeded in restoring half of the proposed cuts to higher education. The Montana University System still faces problems, however.

The legislature passed SB 85, putting the 6-mill levy on the November 2018 ballot. State law requires that voters renew this tax every 10 years via voter referendum. The levy supplies about \$21 million annually for higher education funding. MEA-MFT and MPEA will work hard to get it passed.

INFRASTRUCTURE: In a sad rehash of the 2015 session, infrastructure/bonding bills, so desperately needed in communities all over Montana, were stopped by a few Republican legislators.

Multiple bills were proposed to create thousands of good jobs while fixing our schools, caring for our veterans, cleaning up our water and sewer systems, expanding our Historical Society, and more.

All infrastructure bills and all attempts to increase revenue died but one: the legislature passed a gas tax increase to fund road construction.

PUBLIC PRESCHOOL: The legislature passed the governor's plan to fund pilot pre-school programs.

TRIGGERS: With state revenues in flux, the legislature added a new twist to the state's two-year budget:

"Trigger language" could add or cut dollars depending on how much tax revenue comes in during the next year. If triggers are met, some of the cuts called for would be extremely

harmful to state agencies and MEA-MFT members. MEA-MFT is working with the governor's office to mitigate the impact of these cuts should they happen.

OUR THANKS to the thousands of MEA-MFT members statewide who called and e-mailed legislators on bills! It made all the difference. Voting record begins below.

MEA-MFT VOTING RECORD

Description of House Bills:

HB 13 Moffie Funk (D-Helena): State employee pay plan.

MEA-MFT Position: **Support.**

Vote(s) Recorded: Failed House motion to "blast" out of committee.

Appropriated \$16.7 million over the biennium to increase state employee pay 1% each year. Once again, for the 4th consecutive legislative session, the Republican House majority failed to pass the pay plan state employee unions bargained in good faith with the governor.

Status: Failed in the House.

HB 239 Bill Harris (R-Mosby): Income tax credits for employers.

MEA-MFT Position: **Oppose.**

Vote(s) Recorded: 3rd Reading in the House and motion to suspend the rules in the Senate.

Created an individual and corporate income tax credit for employers to help pay a student's higher education expenses. One of several bad tax credit proposals we have opposed over the last 25 years that challenge our constitution's prohibition against direct and INDIRECT taxpayer funding of sectarian education at any level, k-graduate school.

Status: Passed House, failed Senate 2/3ds vote to suspend the rules to accept late bill for transmittal.

HB 280 Randy Brodehl (R-Kalispell): Allow legislators to carry concealed handguns on state property.

MEA-MFT Position: **Oppose.**

Vote(s) Recorded: House Conference Committee Report and Senate

Conference Report.

Authorized legislators to carry handguns on state property including our state Capitol. Ridiculous.

Status: Vetoed by the Governor.

HB 385 Seth Berglee (R-Joliet): Montana School "Safety" Act.

MEA-MFT Position: **Oppose.**

Vote(s) Recorded: 2nd Reading House.

Authorized school district employees with concealed weapon permits to carry concealed handguns in public schools. MEA-MFT opposes legislation that would dangerously weaponize our public schools.

Status: Failed in the House.

HB 387 Kirk Wagoner (R-Boulder): 12-bed intensive behavioral center.

MEA-MFT Position: **Support.**

Vote(s) Recorded: House Free Conference Committee Report and Senate Free Conference Committee Report.

Establishes a 12-bed intensive behavioral center and delays closure of the Montana Developmental Center for two more years. Helps partly clean up the mess the 2015 legislature created when it directed MDC to close.

Status: Signed by the Governor.

HB 473 Frank Garner (R-Kalispell): Revise highway revenue laws.

MEA-MFT Position: **Support.**

Vote(s) Recorded: House Concurred with Senate Amendments and 3rd Reading Senate.

Incrementally increases Montana

motor fuels tax 6 cents (2 cents for diesel) over the next 6 years to generate 7x more in matching federal dollars for local and state bridge and road construction. Only new infrastructure bill to pass the session. It will help Montana build and rebuild vital infrastructure and put people to work at good paying jobs.

Status: Signed by the Governor.

HB 647 Don Jones (R-Billings): K-12 education funding.

MEA-MFT Position: **Support.**

Vote(s) Recorded: House Concurred with Senate Amendments & 3rd Reading Senate. Eliminates the natural resources development k-12 funding payment; eliminates school district general fund block grants, and increases the guaranteed tax base aid (GTB) over time; revises excess oil and gas production taxes to school districts to be distributed to the state special revenue guarantee account; increases funding for k-12 career and technical education; creates a natural resources development k-12 facilities payment; creates a coal-fired generating unit mitigation block grant; and transfers funds for higher education. Reduces state general fund expenditures by \$44.7 million in FY 2018 and by \$9.2 million in FY 2019. Notices community colleges that they must at least maintain 200 full time equivalent enrollments.

Status: Signed by the Governor.

HB 660 Jenny Eck (D-Helena): Revise lodging facility use tax to construct Montana Heritage Center.

MEA-MFT Position: **Support.**

Vote(s) Recorded 2nd Reading House.
Increased bed tax .5% from 3% to 3.5% to fund construction of Montana Heritage Center. Montana desperately needs to build a proper place to preserve, study, and exhibit our history.

Status: Died in process.

Description of Senate Bills

SB 85 Mary Moe (D-Great Falls): Submit 6-mill levy for Montana University System (MUS) to voters.

MEA-MFT Position: **Support.**

Vote(s) Recorded: 3rd Reading House & 3rd Reading Senate.
Decennial bill necessary to place the MUS 6-mill levy on the 2018 general election ballot. 6-mill levy provides critical funding to the MUS: \$21 million per year.

Status: Passed.

SB 115 Mary Moe (D-Great Falls): Revise stipends for National Board Certified teachers.

MEA-MFT Position: **Support.**

Vote(s) Recorded: 3rd Reading House & 3rd Reading Senate.
Provides first-time-ever ongoing state-funded stipends for National Board Certified teachers. Incentivizes local school communities to bargain same. MEA-MFT sponsors the National Board Certification process through our Montana Professional Teaching Foundation.

Status: Signed by the Governor.

SB 143 Mike Lang (R-Malta): Revise retiree return-to-work provisions in Teachers' Retirement System.

MEA-MFT Position: **Oppose.**

Vote(s) Recorded: House Free Conference Committee Report & Senate Free Conference Committee Report.
Amended an already too-permissive existing law that permits a retired educator (teacher or administrator)

under certain circumstances to be reemployed at full salary and continue to draw retirement benefits without penalty. This blatant double-dipping proposal represented a potential long-term threat to our efforts to amortize and save the Montana Teachers' Retirement System.

Status: Vetoed by the Governor.

SB 260 Llew Jones (R-Conrad):

School facilities subtrust within coal tax trust fund.

MEA-MFT Position: **Support.**

Vote(s) Recorded: 3rd Reading House & 3rd Reading Senate.
Creates first-time-ever local public school facilities maintenance and repair fund within the coal severance tax trust fund. Huge step forward but will take time to grow into a significant school facility funding source. Companion bill to SB 307.

Status: Signed by the Governor.

SB 294 Steve Fitzpatrick (R-Great Falls): Revise laws related to state government pay plans.

MEA-MFT Position: **Support.**

Vote(s) Recorded: House Adopted Free Conference Committee Report and Senate Adopted Free Conference Report.

Revises statutes governing state employee pay and increases state employee base pay 1% February 15 each year of the coming biennium. Montana University System receives increased state funding of the state's share (approximately \$2.6 million) of faculty and staff pay going forward. MUS also receives \$2 million more to incentivize employee retirements.

Status: Signed by the Governor.

SB 307 Llew Jones (R-Conrad):

Revise k-12 school funding laws to address facilities.

MEA-MFT Position: **Support.**

Vote(s) Recorded: House Con-

curred with Governor's Amendments and Senate Concurred with Governor's Amendments.
Revises school funding laws to address facilities. Terminates ineffective unfunded quality schools facility program. Creates an additional local school district permissive levy opportunity. Companion bill to SB 260.
Status: Signed by the Governor.

SB 352 Al Olsewski (R-Kalispell): Referendum on prohibition of ballot collection by certain individuals.

MEA-MFT Position: **Oppose.**

Vote(s) Recorded: 3rd Reading House & 3rd Reading Senate.
Legislative referendum restricting 3d party ballot collection. Little more than a voter suppression proposal purposefully crafted to avoid a gubernatorial veto. Will be on the 2018 November general election ballot. Legal challenge possible before or after the election.

Status: Passed. Filed with the Secretary of State.

SB 367: Eric Moore (R-Miles City): Revise infrastructure funding laws.

MEA-MFT Position: **Support.**

Vote(s) Recorded: 3rd Reading House and 3rd Reading Senate.
Authorized bonding to build infrastructure including Southwestern MT Veterans Home, MT University System Romney Hall, dental hygiene facility construction at College of Great Falls, MSU Billings Tech addition, and \$16 million for quality school facility grants across the state. The House of Representatives has now twice failed to authorize bonding to build infrastructure and twice failed to fund the quality school facility program.

Status: Died in process. Failed to get two-thirds vote in the House.
