**HB 2 (McNutt) State Budget.** HB 2 is the legislature's primary appropriation or funding bill. HB 2 passed out of committee with significant shortfalls compared to the governor's proposed budget. K-12, higher education, and public services were woefully underfunded. House and Senate Democrats made several attempts to amend necessary funds back into HB 2 to bring the bill up to the levels the governor recommended. Most attempts failed. A small number passed. Below is a representative record of those attempts.

### HB 2 Amendments, sponsor and purpose: *House amendments*

**Barrett** – Added \$8,006,493 to fund present law adjustment to the Montana University System recommended by the governor.

MEA-MFT position: Support

Vote: House – failed 33-66

**HB 13 (Hiner) State pay plan.** HB 13 is the state employee pay plan MEA-MFT and other state employee unions negotiate with the governor that the legislature must ratify. After a two-year pay freeze, HB 13 provided a modest pay increase to state employees of 1% in FY12 and 3% in FY13. Unfortunately, for the first time in history, the House refused to pass a negotiated pay plan. Below is a record of a failed attempt to blast the bill from the House Appropriations Committee to the House floor, also a record of the final second reading floor vote that killed the bill.

MEA-MFT position: Support

Votes: Motion to blast off the table House – failed 39-54, 2nd reading House – failed 42-58
