MPEA & MEA-MFT delegates ratify constitution, giving final thumbs-up to merger

January 20, 2018, 400 MPEA and MEA-MFT delegates met in Helena, ratified a proposed constitution merging MEA-MFT with MPEA, and made Montana labor history.

Delegates agreed our new union, the **Montana Federation of Public Employees**, will better than ever defend, promote, enhance, and grow the Montana labor movement and middle class.

Better than ever MFPE will establish beyond all doubt who speaks for organized public employees living and working across our state.

Better than ever MFPE will build a progressive, worker-oriented footprint in every Montana community.

Better than ever MFPE will provide the quality public programs and services Montanans expect and deserve.

Better than ever, MFPE is Montana.
