

Online 2019 MFPE PASS Paraprofessionals Achieving Standards Successfully

Online through the OPI Montana Teacher Learning Hub

Reading: February 4 - March 15, 2019

Math: March 18 - April 19, 2019

Registration Deadline January 28, 2019

MFPE PASS course has been developed by and for Montana paraprofessionals and provides participants with important skills in classroom management as well as proven strategies in reading, writing, and math instruction, taught in a dynamic and fun setting. A nationally developed assessment is built directly into the course, assuring that paraprofessionals who take the course can demonstrate evidence of content mastery to their local districts and the state of Montana.

A team of highly trained educators from throughout the state are responsible for teaching the course.

Course Design:

MFPE PASS is intended to be a fast-moving, highly interactive learning process for all participants. Listed below are just a few of the topics included in the training:

- Effective group management
- Questioning strategies
- Phonics
- Fluency
- Vocabulary
- Narrative and expository texts
- Comprehension strategies
- Numeration
- Word problems

Who Should Attend?

- * Any paraprofessional who wants to gain new skills and capacity for helping students.
- * Any paraprofessional who still needs to be deemed "highly qualified" in accordance with new Title I requirements. (Check with your local school district or union rep if you are unsure if you are affected by these requirements and to assure that PASS is recognized by your district).

Prerequisites:

- * Access to a computer in the evening
- * Sufficient internet speed to handle online live streaming
- * Active email account
- * Course includes an introduction to online learning
- * Student will be trained on how to use the online platform Moodle.
