COLLECTIVE BARGAINING AGREEMENT
BETWEEN
THE MONTANA PUBLIC EMPLOYEE'S ASSOCIATION
AND
THE CITY OF MISSOULA

THIS COLLECTIVE BARGAINING AGREEMENT, made and entered into this ____ day of _____, 2016, by the MONTANA PUBLIC EMPLOYEES ASSOCIATION (hereinafter referred to as the "Association") and the CITY OF MISSOULA (hereinafter referred to as the "Employer"), has as its purpose the promotion of harmonious relations between the Association and the Employer; the establishment of an equitable and peaceful procedure for the resolution of differences; and the establishment of rates of pay, hours of work, and other conditions of employment.

ARTICLE 1-RECOGNITION

The Employer hereby recognizes the Association as the exclusive bargaining representative for City of Missoula Wastewater Division Chemist employees but excluding the Superintendent, Treatment, Collection and Lab/pretreatment supervisors, Clerical, Work Study, or Student Intern Employees and seasonal employees.

ARTICLE 2-MANAGEMENT RIGHTS

Any management rights not specifically relinquished herein shall be retained by the Employer. Management rights retained by the Employer shall include, but not be limited to those management rights established in Montana state law pursuant to Section 39-31-303, M.C.A. The rights established pursuant to Section 39-31-303, M.C.A., are as follows:

Public employees and their representatives shall recognize the prerogatives of public employers to operate and manage their affairs in such areas as, but not limited to:

- (1) direct employees;
- (2) hire, promote, transfer, assign, and retain employees;
- (3) relieve employees from duties because of lack of work or funds, or under conditions where continuation of such work is inefficient and non-productive;
- (4) maintain the efficiency of government operations;
- (5) determine the methods, means, job classifications, and personnel by which government operations are to be conducted;
- (6) take whatever actions may be necessary to carry out the missions of the agency in situations of emergency;
- (7) establish the methods and processes by which work is performed.

ARTICLE 3-ASSOCIATION SECURITY

Section 1. The Employer agrees that, except as provided pursuant to Section 39-31-204, M.C.A., pertaining to an employee's right of non-association with a labor organization on religious grounds, any present or future employee who is not an Association member, and who does not make application for membership shall, as a condition of employment, pay to the Association each month a service charge as

a contribution toward the administration of this Agreement in an amount equal to the regular monthly dues. Employees who fail to comply with this requirement shall be discharged by the Employer within thirty (30) working days after receipt of written notice of nonpayment to the Employer from the Association. Temporary employees shall join the association if employed for more than forty-five (45) calendar days to temporarily fill in for a bargaining unit employee who is unable to be at work.

Section 2. Upon receipt of a written authorization from an employee, the Employer agrees to deduct the regular monthly Association dues of such employee from the employee's pay and remit such deduction during the following month to the Association's office at P. O. Box 5600, Helena, Montana, 59604. The Association shall notify the Employer in writing of any change in the amount of such regular membership dues to be deducted. Such designation by an employee shall be effective until specifically revoked in writing at any time by the individual employee. A copy of the cancellation shall immediately be sent to the Association's office in Helena and will be considered effective thirty (30) days after receipt, unless otherwise withdrawn.

Section 3. The Association agrees to indemnify, and hold the Employer harmless against any and all claims, suits, orders or judgments brought or issued against the City as a result of any action taken or not taken by the City under the provisions of this Article.

ARTICLE 4-ASSOCIATION RIGHTS

Section 1. Nondiscrimination No employee member of the Association shall be discharged or discriminated against for upholding or asserting rights established pursuant to this Collective Bargaining Agreement.

Section 2. Visits by Association representatives The Employer agrees that staff representatives of the Association shall be permitted to come on the premises of the City Wastewater Division facility for the purpose of investigating and discussing grievances if the Association representative first obtains a mutually agreeable time with the City of Missoula Wastewater Division Superintendent or his/her designated representative, so long as the visit by the Association representative does not, in any way, interfere with the efficient and normal operation of the Wastewater Division's facilities and does not last any longer than one-half (1/2) hour on any individual work day.

Section 3. Employee Association activities The Employer agrees that one City employee Association steward may investigate and discuss grievances at the City of Missoula Wastewater Division facility provided that the investigation and discussion does not, in any way, interfere with the efficient and normal operation of the Wastewater Division's facilities and does not last any longer than fifteen (15) minutes on any given individual workday.

Section 4. Employee at bargaining table The Employer agrees that one City employee who is a member of the Association may have leave-with-pay to attend actual negotiating sessions with regard to collective bargaining agreements with the Employer, so long as the presence of the employee at the bargaining table does not require the City to provide a substitute worker at the job site for the employee who is attending collective bargaining negotiation sessions.

Section 5. Solicitation The Association agrees that, except as set forth herein the Association members shall not solicit membership in Association activities during working hours.

Section 6. Posting Place The Association shall be granted space on bulletin boards provided by the Employer, in order to post Association material.

Section 7. Personnel Files Employees shall have the right to inspect their personnel files with Employer's Human Resources Department employees and shall be provided a copy of any material in their personnel files upon request. The first time that a request is made for a copy of a particular item in the employee's personnel file, the copy shall be made at City expense, if any additional copies are ever made of that item the employee shall pay the City the copying rate then in effect for those additional copies.

Section 8. Copies of the Agreement The Employer shall prepare and make available one (1) copy of this Agreement to the bargaining agent and one (1) copy to the Association employee shop steward for use by the employees in the bargaining unit.

ARTICLE 5-HOURS OF WORK AND OVERTIME

Section 1. A workweek shall comprise the time period Sunday through Saturday. Eight (8) hours of work including two (2) fifteen (15) minute break periods near the middle of each half shift whenever feasible shall constitute a day's work. By mutual written agreement between the employer and the employee, an employee may work an alternative workweek schedule consisting of four ten-hour days or some other combination of hours. For any such mutually agreeable alternative forty-hour workweek consisting of workdays longer than eight hours in a day, the requirement to pay overtime for more than eight hours of work in a work day shall be waived. Work may be interrupted near the middle of the workday to allow for a one-half (1/2) hour lunch break without pay. Forty (40) hours of work during a workweek shall constitute a week's work. Statutory legal holiday pay shall only be for eight hours per legal holiday. Anyone working a four day, ten hour work day must use two hours of vacation in order to earn ten hours pay for a legal holiday pay day of ten hours, and this shall be pro-rated for other alternative work weeks as discussed above."

Section 2. Employees employed for a work week longer than forty (40) hours or for a time period during a specific workday that is in excess of a day's work as defined herein shall receive compensation for the overtime employment at the rate of one and one-half (1 1/2) times the hourly wage rate at which employed, including longevity, or the employee may elect to take compensatory time in lieu of pay at the rate of one and one-half (1 1/2) hours for every overtime hour worked, and fringe benefits. Accumulated compensatory time must be used within 180 days. Overtime will not be paid more than once for the same hours worked. Compensatory time not used within 180 days shall be purchased by the City (Employer) at the rate of one and ½ times the hourly rate of the employee. The City (Employer) reserves the right at its discretion to pay out unused compensatory time prior to the end of each fiscal year.

Section 3. Wastewater Chemists shall report for work each scheduled workday unless otherwise notified by the Employer. The Employer reserves the right to reschedule to a later shift during the same calendar day an employee who appears for a scheduled work shift. In such event the employee who arrived for a scheduled shift shall receive two hours of call back pay at straight time.

Section 4. Employees called back to work on a regularly scheduled day off shall be guaranteed a minimum of four (4) hours pay. Employees called back to work on the same day that they have previously completed a day's work shall be guaranteed a minimum of two (2) hours' work and a

minimum of two (2) hours' pay.

Employees called in early for work within two (2) hours of the commencement of their regularly scheduled shift may be required to continue working on into their regularly scheduled shift and shall receive overtime for any hours of work in excess of eight (8) hours during the workday. All call-back pay shall be paid at the overtime rate of pay.

Section 5. Whenever it becomes necessary to assign employees to remain at work to work overtime or when it becomes necessary to call back employees, the Employer shall assign employees according to ability to perform work, availability, and whenever possible on a voluntary basis. Overtime assignments will be distributed as equally as possible among those employees at work who are qualified to perform the work.

Section 6. This Article is intended to be construed only as a basis for overtime and shall not be construed as a guarantee of hours of work per day or per week. In the event there is a cutback in hours of work per day or per week, the cutback shall be handled in accordance with the layoff provisions of this Agreement.

Section 7. The Employer shall make a good faith effort to provide all employees with a minimum of one (1) designated weekend, consisting of Saturday and Sunday off each month. A designated weekend shall mean a weekend specified by the Employer as being the designated weekend for a particular month and such weekend shall be specified as being designated within thirty (30) calendar days prior to such designated weekend.

Section 8. The Employer shall provide employees ten (10) calendar days notice of shift changes, except by mutual agreement of Employer and employee or in extraordinary circumstances. The City will also provide an explanation of the reasons for the shift change.

Section 9. Whenever an employee works more than two hours beyond his/her scheduled shift the city will provide a hot meal to the employee during the time period that the employee is working beyond the more than two (2) hours time period.

ARTICLE 6-LEGAL HOLIDAYS

Section 1. The following are legal holidays in the State of Montana and are hereby recognized as legal holidays for the City Wastewater Division employees. Employees shall be granted a day off with regular pay for each of the following holidays:

- (1) New Year's Day, January 1
- (2) Martin Luther King, Jr. the third Monday in January
- (3) President's Day, the third Monday in February
- (4) Memorial Day, the last Monday in May
- (5) Independence Day, July 4
- (6) Labor Day, the first Monday in September
- (7) Columbus Day, the second Monday in October
- (8) Veterans Day, November 11
- (9) Thanksgiving Day, the fourth Thursday in November
- (10) Christmas Day, December 25
- (11) State General Election Day, in year's when state and national elections are conducted

- statewide
- (12) Any day declared a national legal holiday for all governmental subdivisions within the entire nation by the President of the United States; any day declared a state legal holiday for all state and local government political subdivisions by the Governor of the State of Montana; any day declared a legal holiday for all city government employees by the Mayor of the City of Missoula.

Section 2. Employees who are required to work on a legal holiday shall be compensated at their regular straight time hourly rate of pay and shall be eligible for a different day off with pay within a reasonable time period of the actual legal holiday.

Section 3. An employee shall be eligible for holiday pay if the employee is on the active payroll of the City and if the employee has worked his/her full regularly scheduled workday before or after the legal holiday unless (s)he is excused by the City Wastewater Division Superintendent authorizing vacation leave or the employee is sick.

Section 4. Holidays, including those allowed in lieu of the actual holidays occurring while an employee is on a paid sick leave or a paid vacation shall be earned by the employee and not charged as sick leave or vacation.

ARTICLE 7-VACATIONS

Section 1. Each regular full-time employee shall earn annual vacation leave credits from the first day of employment. For calculating vacation leave credit, 2,080 hours (52 weeks x 40 hours) shall equal 1 year. Vacation leave credits earned shall be credited at the end of each pay period. However, employees are not entitled to any vacation leave with pay until they have been continuously employed for a period of 6 calendar months.

Section 2. An employee may maintain (warehouse) but not accrue annual vacation leave credits while in a leave without pay status.

Section 3. Vacation leave credits are earned at a yearly rate calculated in accordance with the following schedule, which applies to the total years of an employee's employment with the City whether the employment is continuous or not. A working day equals eight (8) hours for the purpose of accumulating vacation leave credits. All requests for use of vacation time off must be made using the request for leave form designated by the Employer. Use of vacation time is subject to approval by the Employer.

<u>Years of Employment</u>	<u>Working Days Credit</u>	<u>Working Hours Credit</u>
1 day through 10 years	15	120
10 years through 15 years	18	144
15 years through 20 years	21	168
20 years on up	24	192

Section 4. The scheduling of vacations shall take place as follows: An annual vacation calendar shall be posted the first working day of January. Employees shall be given sixty (60) days to record their

vacation request. If more than one (1) employee requests a particular period of time for his/her vacation and if, in the opinion of the Employer, only one (1) employee can be released during this period of time, the most senior employee shall be provided that time off. Such seniority rights on establishing a vacation period can only be implemented by an employee on one occasion and the next most senior employee's vacation date would be honored should there be a conflicting date; therefore an employee's choice of first vacation shall have precedent over a more senior employee's second vacation selection and a second vacation selection priority over a senior employee's third vacation selection. Vacation requests that are recorded following the sixty (60) day recording period will be handled on a "first come, first serve" basis, with the approval of the Employer.

Section 5. Absence from employment by reason of illness shall not be chargeable against unused vacation leave credits unless approved by the employee.

Section 6. Accumulation of vacation leave.

- (1) Annual vacation leave may be accumulated to a total not to exceed two times the maximum number of days earned annually as of the end of the first pay period of the next calendar year. Excess vacation time is not forfeited if taken within 90 calendar days from the last day of the calendar year in which the excess was accrued.
- (2) An employee who terminates his/her employment for reason not reflecting discredit on the employee shall be entitled upon the date of such termination to cash compensation for unused vacation leave, assuming that the employee has worked the qualifying period set forth in Section 2-18-611, M.C.A.
- (3) However, if an employee transfers to another department or agency of the City, there shall be no cash compensation paid for unused vacation leave. In such a transfer the receiving department or City agency assumes liability for vacation credits transferred with the employee.

Section 7. Other. It shall be unlawful for an employer to terminate or separate an employee from his employment in an attempt to circumvent the provisions of this Article.

ARTICLE 8-SICK LEAVE

Section 1. Each regular full-time employee shall earn sick leave credits from the first day of employment. For calculating sick leave credits, 2,080 hours (52 weeks x 40 hours) shall equal one (1) year. Sick leave credits shall be credited at the end of each pay period. Sick leave credits shall be earned at the rate of 12 working days for each year of service without restriction as to the number of working days that may be accumulated. A working day equals eight (8) hours for the purpose of accumulating sick leave credits. Employees are not entitled to be paid sick leave until they have been continuously employed ninety (90) days.

An employee may use sick leave credits for:

- (a) illness;
- (b) injury;
- (c) medical disability;
- (d) maternity-related disability, including prenatal care, birth, miscarriage, abortion, or other medical care for either employee or child;

- (e) quarantine resulting from exposure to contagious disease;
- (f) medical, dental or eye examination or treatment;
- (g) necessary care of or attendance to an immediate family member, or at the employer's discretion, another relative, for the above reasons until other attendance can reasonably be obtained; and
- (h) death or funeral attendance for an immediate family member or, at the employer's discretion, for another person.

Section 2. An employee may not accrue sick leave credits while in a leave-without-pay status.

Section 3. An employee who terminates employment with the City is entitled to a lump-sum payment equal to one-fourth of the pay attributed to the accumulated sick leave. The pay attributed to the accumulated sick leave shall be computed on the basis of the employee's salary or wage at the time he/she terminates his/her employment with the state, county, or city. Accrual of sick leave credits for calculating the lump-sum payment provided for in this subsection begins July 1, 1971. The payment therefor shall be the responsibility of the City wherein the sick leave accrues. However, no employee forfeits any sick leave rights or benefits he had accrued prior to July 1, 1971. However, where an employee transfers between departments or agencies within the City government he/she shall not be entitled to a lump-sum payment. In such a transfer the receiving department or agency shall assume the liability for the accrued sick leave credits earned after July 1, 1971, and transferred with the employee.

Section 4. Whenever the Human Resources Department, Wastewater Division Superintendent and Public Works Director have reason to believe that an individual employee might be abusing sick leave, they may request the employee claiming or using sick leave to substantiate their claim.

Section 5. Wastewater Division employees may use accumulated sick leave for a serious affliction of one of the employee's immediate family requiring the employee's presence; for attending the funeral of one of the employee's immediate family requiring the employee's presence; as well as for their own personal illnesses. The immediate family shall consist of spouse, children, parents, brother, sister, grandparents or relative in a like degree of the employee's spouse, or who has been a permanent member of the employee's household.

Section 6. Termination pay shall be paid on the next regularly scheduled payday after the date of termination.

Section 7. An employee who receives a lump-sum payment pursuant to this section and who is again employed by any agency shall not be credited with any sick leave for which the employee has previously been compensated.

Section 8. Abuse of sick leave is cause for dismissal and forfeiture of the lump-sum payments provided for in this section. Chronic, persistent, or patterned use of sick leave may be subject to progressive discipline.

Section 9. Any Wastewater Division employee intending to make proper use of approved sick leave shall notify the Wastewater Division Superintendent as soon as possible of the employee's need to make use of sick leave.

In all instances the employee making proper use of approved sick leave shall notify the

Wastewater Division Superintendent or his/her designated representative by the beginning of the work shift on the day sick leave is intended to be requested, except in those instances where the employee becomes sick after the beginning of the work shift on the day sick leave is requested. Whenever an employee becomes sick after the beginning of the work shift on the day sick leave is requested, the employee shall have the responsibility to notify the Employer as soon as possible of his/her intent to use sick leave. Documentation of use of sick leave must be made in writing using the request for leave form designated by the Employer. Documentation must take place prior to the use of sick leave or as soon as possible upon return to work in the event of unplanned illness or injury.

Section 10. In the event that an employee on annual vacation leave becomes ill and the illness results in a delay in the commencement of a vacation or the cancellation of either a portion of or the remaining days of the scheduled vacation, if the employee immediately notifies the Wastewater Division Superintendent of the circumstances causing either the delay in the commencement of their vacation, or in the cancellation of either a portion of or the remaining days of the vacation, then the employee shall be afforded the right to use sick leave rather than vacation leave for the days affected upon furnishing the Employer with acceptable medical certification of illness if requested by the Wastewater Division Superintendent.

Section 11. There shall be no limit to the amount of sick leave accumulation during the course of an employee's service to the City.

Section 12. Employees requesting leave other than sick leave must first use:

- (1) any accumulated holiday time before using any accumulated compensatory time, and
- (2) any accumulated compensatory time before using vacation time off.

ARTICLE 9-OTHER LEAVES

Section 1. Military Leave. Any City Wastewater Chemist, who is a member of the organized militia of this state or who is a member of the organized or unorganized reserve corps or military forces of the United States and who has been an employee for a period of six (6) months shall be given leave of absence with pay for a period of time not to exceed fifteen (15) days in a calendar year for attending regular encampments, training cruises, and similar training programs of the organized militia or of the military forces of the United States. This leave shall not be charged against the employee's annual vacation time.

Section 2. Jury Duty. Each City Wastewater Chemist who is under proper summons as a juror shall collect all fees and allowances payable as a result of the service and forward the fees to the City Finance Office. Juror fees shall be applied against the amount due the employee from his/her employer. However, if an employee elects to charge his/her juror time off against his/her annual leave, he/she shall not be required to remit his/her juror's fees to his/her employer. In no instance is an employee required to remit to his/her employer any expense or mileage allowance paid him/her by the court.

Section 3. Serving as a witness. A City Wastewater Division Chemist subpoenaed as a witness shall collect all fees and allowances payable as a result of the service and forward the fees to the City Finance Office. Witness fees shall be applied against the amount due the employee from his/her employer. However, if an employee elects to charge his/her witness fees off against his/her annual leave, he/she shall not be required to remit his/her witness fees to his/her employer. In no instance is an employee

required to remit to his/her employer any expense or mileage allowances paid him/her by the Court.

Section 4. Leave of Absence Without Pay to Hold Public Office.

(1) In the event a City Wastewater Division Chemist is elected or appointed to a public office in the city, county, or state, the City shall grant such employee a leave of absence without pay, not to exceed one hundred eighty (180) calendar days per year, while they are performing public service. The employee must request in advance and in writing the aforementioned leave of absence without pay.

(2) Employees granted a leave shall make arrangements to return to work within ten (10) calendar days following the completion of the service for which the leave was granted unless they are unable to do so because of illness or disabling injury certified by a licensed physician.

Family leave time up to 90 calendar days shall be offered in accordance with the procedures described in Section 06-06 (Family and Medical Leave) in the City Personnel Policy Manual.

Employees who request leave without pay status for the purpose of taking family leave and who have expressed their intention to return to work at the end of the leave time shall be reinstated to their original job, or to an equivalent position with equivalent pay and accumulated seniority, retirement, and other benefits.

Section 6. Leave without pay. Leave without pay shall be as agreed to and authorized by the City of Missoula Wastewater Division Superintendent. During a leave without pay status no vacation or sick leave or service time for retirement will accrue. Longevity and seniority do not accumulate in a leave without pay status. City payment of health and dental insurance premiums continue only for the remainder of the month in which the leave without pay status commences.

Requests for leaves without pay for time periods in excess of ninety (90) consecutive days shall be submitted to both the Mayor and his/her designee and the Wastewater Division Superintendent and must be approved by both before any leave without pay can be taken.

Section 7. Education Leave. Education leave shall mean employees attending job related courses at an accredited vocational or post-secondary educational institution for up to eight (8) credit hours per academic year.

- A. Education leave with pay may be granted to any employee, with the department head's approval, after 6 months of continuous employment.
- B. The department head shall forward a notice of the education leave to the Human Resources Office and to the Mayor (or his/her designee) outlining the length of the leave, person(s) involved, and approximate cost to the City.
- C. Employees on education leave will report back to work for the balance(s) of their working day after scheduled classes is/are over and within a reasonable time allowed for travel.

If class times are other than the employee's scheduled working hours, there will be no time off

with pay.

- D. The City, upon receiving evidence of satisfactory completion of approved job related courses, will reimburse the employee for tuition and books for up to \$500.00 per fiscal year.

Reimbursement of funds to the employee may be subject to City budget constraints.

Individual employees are encouraged to submit proposals for reimbursable educational and training courses to the wastewater division administration pursuant to the City's educational reimbursement policy. Such requests should be made during the first ninety (90) calendar days of each calendar year in order to allow wastewater division administration an opportunity to include such requests in the budget for the new fiscal year.

By September 1st, the administration shall notify each employee who submits a request for funds for reimbursable education and training courses of his/her acceptance, or the reasons for denial. Notification shall be in writing.

ARTICLE 10-SENIORITY

Seniority means an employee's length of continuous service with his/her division and shall be computed from the date the employee began continuous service in the department.

- (1) To be absent from the job due to layoffs will be considered lost time for the purpose of seniority; however, previous service upon reemployment shall count toward seniority;
- (2) To be absent from the job due to a leave of absence without pay will be considered lost time for the accrual of seniority; however, previous service upon reemployment is counted toward seniority;
- (3) To be absent from the job due to involuntary active military leave will not affect seniority. Such time spent in military service will count toward seniority;
- (4) An employee's continuous service for purpose of seniority shall be broken by voluntary resignation, discharge for justifiable cause and retirement;
- (5) The Employer shall post a seniority roster on the effective date of this Agreement and on January 1 of each year thereafter. Employees may protest their seniority designation through the usual grievance procedure if they have cause to believe an error has been made;
- (6) Absences due to injury in the line of duty for a time period up to one (1) year shall be considered as time worked for the purposes of accruing seniority.

ARTICLE 11-VACANCIES AND PROMOTIONS

Section 1. Whenever a newly created or vacant position is to be filled, the Employer shall post such an opening notice. The posting shall be in a place normally used to post employee oriented material, and shall include:

- (1) classification of open position;
- (2) pay for the position;
- (3) deadline for accepting applications;
- (4) minimum qualifications necessary to be eligible for the position.

Section 2. Current regular full time or regular part time Wastewater Division Chemists will have the

first opportunity to apply for vacant and new positions within the bargaining unit. The City will advertise for outside applicants to fill a vacant or new position only when city management determines that no internal applicant possesses the qualifications desired of the individual needed to fill the vacancy or new position.

Whenever two or more internal applicants apply for an opening and where qualifications and work experience for the position are substantially similar; and the applicant has the physical ability to perform the essential tasks of the position, seniority shall be the determining factor in awarding a position to an internal applicant. This provision shall not apply to probationary employees. Upon promotion, an internal applicant may serve a six (6) month probationary period for the position. Any time during this six-month period management, for cause or at the request of the employee, may return this employee to his/her original position at his/her previous rate of pay.

Employees in a training or cross-training position will be allowed to return to their old position after the training is completed.

Section 4. (1) An employee who is involuntarily transferred shall receive compensation which is equal to or greater than the compensation received in his/her previous position. An involuntary transfer does not include a situation where an employee bumps another employee as a result of employment reassignment or layoffs within the department, or where an employee was promoted and then returned to his/her previous position because of inability to satisfactorily perform job duties and responsibilities in the promoted position or the employee requests a transfer back to his/her position.

(2) An employee who is bumped into another position by another employee shall not be entitled to compensation which is equal to the compensation received in his/her previous employment position unless the position the employee is bumped into is compensated at the identical wage level.

ARTICLE 12-GRIEVANCE AND ARBITRATION PROCEDURE

A "grievance" is defined as any dispute involving the interpretation, application, or alleged violation of the express provisions of this Agreement. Grievances or disputes which may arise shall be settled in the manner set forth herein. If time limits set forth herein are not adhered to by either one of the parties, the grievance shall be settled in favor of the party that is not in default of the time limits. Saturday and Sunday are not considered working days for City staff. The employee may have his/her Association representative present in all steps of the grievance procedure. Any employee may directly contact either the Public Works Director or the Human Resources Department if they believe the grievance procedure process is being obstructed.

Step 1. Informal Discussion.

Within seven (7) calendar days after its occurrence, the aggrieved party shall verbally discuss his/her complaint with his/her immediate supervisor or if the grievance involves a disciplinary action, with the supervisor issuing the disciplinary action. If discussions are unable to resolve the grievance, the respondent, within three (3) additional working days will give a verbal reply to the complaint, advising the aggrieved party of his or her options.

Step 2. Discuss with Division Superintendent and notify Union.

If the grievance is not settled at Step 1, the aggrieved party shall, within three (3) additional working days schedule a meeting with the Wastewater Treatment Division Superintendent to discuss the

grievance. The Superintendent will have five (5) calendar days following the meeting to respond to the complaint and attempt resolution. At this step, the Association shall be notified in writing by the employee of the grievance and written proof of that notification shall be provided to the Wastewater Treatment Division Superintendent or his/her designee.

Step 3. Formal written grievance, Public Works Director

If the grievance is not settled at Step 2, the aggrieved party shall, within seven (7) calendar days, submit the grievance through the Association, in writing, to the Public Works Director. This written grievance shall set forth: (1) the nature of the grievance, (2) the facts on which it is based, (3) the provisions of the agreement allegedly violated, and (4) the relief requested. If any of these elements are missing from the written grievance, it will not be considered and will be terminated at Step 2. The Public Works Director will have seven (7) calendar days to set up a meeting with the appropriate parties to hear testimony and discussion. The Director will then have seven (7) additional days to prepare a written response.

Step 4. Formal Written Submittal to Mayor

If the grievance is not settled satisfactorily at Step 3, the written grievance shall, within seven (7) additional calendar days be submitted through the Association, in writing to the Mayor or his/her designee. The grievance shall contain the same elements as listed in Step 3 or it will not be considered. The Mayor or his/her designee shall, within seven (7) calendar days after receipt of the written grievance to schedule a meeting with the appropriate parties to hear discussion and testimony. The Mayor will then have seven (7) additional days after the meeting to prepare a written response.

Step 5. Conciliation Meeting

If the matter is not resolved at this point, a conciliation meeting will be held with the parties involved as a final attempt to settle the dispute prior to proceeding with the arbitration. The Mayor or his/her designee shall preside over this proceeding. If, for whatever reason, a conciliation meeting does not take place within ten (10) working days following the Mayor's written response, either party to the Agreement may unilaterally call for arbitration proceedings as called for in Step 6 of the grievance procedure.

Step 6. Arbitration.

Any dispute which has not been resolved by the above grievance procedure may be submitted to arbitration by the aggrieved party through the Association, providing it is submitted within ten (10) working days after the conciliation meeting. The aggrieved party shall notify the other party in writing of the matter to be arbitrated and the contract provisions allegedly violated. Within five (5) working days the parties shall request a list of five (5) qualified names from the State Board of Personnel Appeals. The Association and the Employer shall each strike two (2) names in alternate order, and the remaining shall be the arbitrator. The Association shall strike the first name. In cases where an employee is the aggrieved party, authorization to submit the grievance to arbitration shall be final and binding on both parties. Costs incurred for the arbitrator shall be borne equally by both parties.
