Changes in the representation fee rate shall be certified to the Employer in writing over the signature of the authorized officer of the Federation at least two payroll periods in advance of such change. The grievance procedure contained within this Agreement shall not be used to address any dispute regarding representation fee. In situations where net pay after taxes and other deductions is not enough to fund representation fee deductions, no deduction will be taken.

Section 4. The Federation will indemnify, defend and hold the Employer harmless against any claims, demands, suits, or other forms of liability, including the cost of defense, that shall arise out of or as a result from any action taken by the Employer for the purpose of complying with this Article.

The file shall contain all personnel related documents pertaining to the employee. Employees shall have the right to inspect their personnel files and to receive a copy of any of the contents therein.
