Section 4. Annual vacation leave may be accumulated to a total not to exceed two times the maximum number of days earned annually as of the end of the first pay period of the next calendar year. Excess vacation time is not forfeited if taken within 90 calendar days from the last day of the calendar year in which the excess was accrued.

Section 5. An employee who terminates employment with the Employer is entitled to a lump sum equal to one-fourth of the pay attributed to the accumulated sick leave. The pay attributed to the accumulated sick leave shall be computed on the basis of the employee's salary or wage at the time he/she terminates his/her employment with the State. Accrual of sick leave credits for calculating the lump sum payment provided for in this Section begins July 1, 1971. The payment therefore shall be the responsibility of the agency wherein the sick leave accrues. However, no employee forfeits any sick leave or benefits he had accrued prior to July 1, 1971. However, where an employee transfers between agencies within the same jurisdiction, he/she shall not be entitled to a lump sum payment. In such a transfer, the receiving agency shall assume the liability for the accrued sick leave credits earned after July 1, 1971, and transferred with the employee.

Juror fees shall be applied against the amount due the employee from his Employer. However, if an employee elects to charge his juror time off against his annual leave, he shall not be required to remit his juror fees to his Employer. In no instance is an employee required to remit his Employer any expense or mileage allowance paid him by the court.
- B. An employee subpoenaed to serve as a witness shall collect all fees and allowances payable as a result of the service and forward the fees to the appropriate accounting office. Witness fees shall be applied against the amount due the employee from his Employer. In no instance is an employee required to remit to this Employer any expense or mileage allowances paid him by the court.
- C. The Employer may request the court to excuse its employees from jury duty if they are needed for the proper operation of the agency.

ARTICLE 20. **MATERNITY AND PARENTAL LEAVE**

It shall be unlawful for the Employer or his agent:

- A. to terminate a woman's employment because of her pregnancy;
- B. to refuse to grant the employee a reasonable leave of absence for such pregnancy;

- C. to deny to the employee, who is disabled as a result of pregnancy, any compensation to which she is entitled as a result of the accumulation of disability or leave benefits accrued pursuant to plans maintained by her Employer; provided that the Employer may require disability as a result of pregnancy to be verified by medical certification that the employee is not able to perform her employment duties;
- D. to retaliate against any employee who files a complaint with the Commissioner of Labor and Industry;
- E. to require that any employee take a mandatory maternity leave for an unreasonable length of time.
- F. Leave may be longer if the employee is unable to perform her job prior to delivery or if there are complications like illness or surgical delivery. If the employer and the employee cannot agree on a reasonable period for maternity leave, the employer shall rely on the judgment of the employee's medical provider.
- G. An employee shall not be required to obtain medical certification of a temporary disability for the initial six calendar weeks of leave following the birth of a child. However, the employer may require the employee to provide medical certification to extend the maternity leave beyond the minimum six-calendar-week period. The certification should state that the employee is unable to perform her employment duties and give the estimated duration of the extended leave.
- H. The employee is responsible for providing timely, complete, and sufficient medical certification. Employees must provide the certification within fifteen (15) calendar days after the employer's request unless it is not practicable to do so despite an employee's diligent, good-faith efforts.
- I. The Employer shall not ask employees probing questions regarding their medical condition that may elicit genetic information about an employee or an employee's family members.
- J. Nothing in this policy prohibits an employee from voluntarily returning to work sooner than six calendar weeks after the birth of a child.

Upon signifying her intent to return at the end of her leave of absence, such employee shall be reinstated to her original job or to an equivalent position with equivalent pay and accumulated seniority, retirement, fringe benefits, and other service credits.

Parental leave shall be available to birth fathers immediately following a child's birth or to permanent employees who are adopting a child (2-18-606, MCA).

The employer must approve a reasonable leave of absence not to exceed fifteen (15) working days for parental leave immediately following the birth of a child or placement of a child with the employee for adoption.

The employer may approve less than fifteen (15) working days if they determine the length of leave requested is unreasonable. The employer must provide the employee a written response explaining why the request is unreasonable. The written notice must also include the length of leave considered reasonable and approved.

The employer may require documentation for the use of parental leave. For example, a birth father may need to provide a birth certificate or another document identifying the birth father. Documentation from an adoptive parent may include, but is not limited to, an affidavit of intent to adopt or another agreement indicating a child's placement for adoption.

Both maternity and parental leaves are unpaid. However, employees may use accrued paid leave concurrently with maternity or parental leave. Employees must request the use of additional leave consistent with state and agency policy applicable to the type of leave requested.

The employer may require employees to use accrued sick leave, annual leave, compensatory time, or other accrued paid leave concurrently with maternity or parental leave.

State law limits the use of sick leave to fifteen (15) days for birth fathers and adoptive parents (2-18-606, MCA) unless the absence qualifies for the use of sick leave for another reason.

ARTICLE 21. **PROFESSIONAL LEAVE**

Section 1. With Management approval, members of the bargaining unit shall be granted paid release time to attend workshops, seminars, and other meetings deemed to be of benefit to the agency. Professional leave may also be granted to employees for the purpose of engaging in professional study or research.

ARTICLE 22. **LEAVE WITHOUT PAY**

Section 1. A leave of absence without pay may be granted by the Employer upon written request of the employee and with the approval of the Supervisor and Director. The request shall state the reason for the leave of absence and the approximate length of time off the employee desires.

Section 2. A permanent employee injured on the job and eligible for industrial accident benefits shall retain all rights to his/her previously held position and shall be entitled to a leave without pay for a period of six months, following the date of injury. A leave of absence without pay for a period of up to six months shall also be granted to permanent employees with extended illness or disability, and with proper medical certification of both their temporary inability to work and their prospective ability to return to work within a

reasonable time. With management approval, the leave of absence may be extended beyond six months.

Section 3. Before returning to work, the employee must be able to show the Employer, by way of a physician's certificate, that he/she is able to perform the essential duties of the position. In the event that the employee has been on leave without pay for more than 30 calendar days and a temporary employee has been hired to replace the employee, the Employer may require the employee on leave without pay to give two weeks' notice of his/her intent to return to work.

ARTICLE 23. SAFETY

Section 1. Both the Employer and the Federation affirm their commitment to cooperate in the maintenance of a safe and healthful working environment. To that end, any employee complaint concerning a health or safety problem shall be immediately referred to the employee's supervisor and the Federation's safety officer. Should the supervisor and safety officer determine that the problem is substantial and/or a long-term threat to the employee's health and safety, they shall call for an immediate meeting of the Management/Union Relations Committee. The Committee shall make every effort to bring the problem to a satisfactory resolution. Should the resolution prove unsatisfactory, the employee is free to pursue any remedy provided by appropriate state or federal law.

ARTICLE 24. EMPLOYEE EVALUATIONS/PERSONNEL FILES

Section 1. An employee may request to be evaluated a minimum of once each year or his or her supervisor may determine the need to do a performance evaluation. Each employee shall be afforded the opportunity to submit a written rebuttal to any written evaluation and shall be provided with a copy of the evaluation.

Section 2. An employee may inspect or obtain a copy of any document contained in his or her personnel file. No document unfavorable to an employee may be placed in the personnel file without providing the employee an opportunity to review the material and to submit a written rebuttal to it. No employee shall be compelled to sign any document placed in the personnel file.

Section 3. Letters of warning, reprimand, probation or suspension shall be considered temporary contents of a personnel file and shall be removed from the file after one year, unless such documents are related to a current or ongoing disciplinary action, or where they may be pertinent to other current or impending legal or quasi legal proceedings.

ARTICLE 25. NO STRIKE/NO LOCKOUT

Section 1. During the term of this Agreement, the Federation agrees that it will not cause, sanction, or engage in any strike or other interference with the operation of the Employer, except as provided in Article 28.

Section 2. During the term of this Agreement, there shall be no lockout by the Employer.

ARTICLE 26.
SEVERABILITY

Section 1. If any provision of this Agreement is declared by the proper legislative or judicial authority to be unlawful, unenforceable, or not in accordance with applicable statutes or ordinances, all other provision of this Agreement shall remain in full force and effect for the duration of this Agreement. Either party may seek to meet and renegotiate the provision declared invalid.

ARTICLE 27.
ENTIRE AGREEMENT

Section 1. The parties acknowledge that during negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement.

Therefore, the Employer and the Federation for the duration of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter specifically referred to or covered by this Agreement. This Article shall not be construed to in any way restrict the parties from commencing negotiations under Article 28 or under the applicable law on any succeeding agreement to take effect upon termination of this Agreement.

Section 2. The parties recognize the right of the Employer to promulgate rules and regulations from time to time as deemed necessary insofar as such rules and regulations that affect the members of the bargaining unit covered by this Agreement are not inconsistent with the terms of this Agreement, and are not inconsistent with federal laws or laws of the State of Montana.

ARTICLE 28.
TERM

Section 1. This Agreement shall be effective as of the 1st day of July, 2017, and shall remain in full force and effect until the 30th day of June, 2019. Either party shall notify the other in writing at least 90 days, but not more than 120 days prior to the expiration date if they desire to modify this Agreement. If the Federation gives such notice, it shall also notify the Chief of the Labor Relations Bureau, in writing, of such requested negotiations at the same time such notice is given to the Employer. Negotiations may begin at any time after notice is provided.

Section 2. The Federation and the Employer agree to meet for pre-budget negotiations on wages and fringe benefits for the 2019-2021 biennium at the earliest reasonable date. The Federation shall have the right to engage in concerted activity after December 1, 2018, for matters pertaining to wages and economic benefits for the 2019-2021 biennium.

Section 3. It is understood that this Agreement shall remain in full force and effect until such time as a new contract is negotiated or until impasse is reached over any item(s) under negotiation by the parties.
