## **ADDENDUM A TEACHERS BROAD BAND PAY PLAN**

As provided in Section 2-18-703 MCA, the employer contribution for group health benefits will increase by 10% (\$976 a month) from January 2016 through December 2016 and by 8% (\$1054 a month) from January 2017 the December 2017.

1. Initial placement on the occupational pay range for new hires, promotions and transfers, will be based upon an analysis of competencies, training and relevant experience. No newly hired teacher shall be placed higher on the salary range than any teacher currently employed with like/similar licensure/education and equal or more years teaching experience.

2 Each employee who reaches a new job anniversary date will move to the next scheduled increment conditioned upon:

A. Successful completion of the required training as per the career progression plan for that occupation, and

B. Acceptable performance as evidenced by not being on an active Performance Improvement Plan.

3. An employee on an active performance improvement plan will not be moved to a new increment. Once an employee denied movement successfully completes the disqualifying performance improvement plan he/she shall move to the next increment and begin receiving the new wage rate on the first day of the next pay period.

4. Any employee who does not successfully complete the training requirement(s) for progression to the next pay increment will be denied movement until such time as he/she does complete the requirements unless the failure to complete is a result of the training not being offered, and/or other reason which is no fault of the employee. Employees who fail to meet training requirements will be expected to complete those requirement(s) at the next opportunity after which they will be moved to the next increment and begin receiving the higher rate on the first day of the next pay period.

5. Broadband pay ranges are as indicated below.

6. The parties established a Broadband pay committee comprised of three members chosen by the union and three members chosen by management. Any dispute involving a pay decision related to this (Broadband pay) Agreement will be submitted to this Broadband pay committee. That Committee will attempt to resolve the dispute by consensus. Any dispute, for which the Committee cannot reach a consensus

decision, will be processed as a grievance under the contractual grievance procedure and will be initiated at Step 2 of that procedure.

7. All employees covered by this collective bargaining agreement under the Broadband Pay Plan shall receive a \$0.50 per hour increase on the base-rate effective in the pay periods that include January 15, 2016 and January 15, 2017

Pay band Effective the pay period that includes January 15, 2016.

This Memorandum of Understanding (“MOU”) is entered into by the Montana Department of Corrections, herein referred to as the “Department” and MEA-MFT and MPEA as listed above, herein referred to as the “Unions.”

This MOU applies to employees working and living in areas impacted by natural resource development as allowed under the state’s Natural Energy Resource Development Impact (NERDI) policy. Impacted areas include the following counties: Custer, Daniels, Dawson, Fallon, McCone, Prairie, Richland, Roosevelt, Sheridan, and Wibaux.

Eligible employees may receive either a rental or mileage allowance to assist with recruitment and retention in these high income, high expense areas. Employees must meet all eligibility requirements to be considered for the allowance.

Mileage Allowance:

As outlined in the NERDI policy, employees who live 50 or more miles from their assigned work station because of a lack of affordable housing, may receive \$0.15 per mile, up to \$230 per pay period, for the commute between home and their assigned work station.

To be eligible, employees must submit all of the following to the Department’s Office of Human Resources:

- a *Travel Subsidy Acknowledgement form*
- proof of a lack of affordable housing within 50 miles of their assigned work station
- the documented mileage using MapQuest or another similar form of documentation that includes the address of their residence and their assigned work station

Rental Allowance:

Employees who rent a permanent residence are eligible to apply for the NERDI rental allowance and, upon approval, receive a monthly rental allowance to offset the cost of renting a primary residence if the rent is \$50 a month greater than current HUD Fair Market Rental Rates, or a maximum allowance of \$250 per month in Custer, Prairie and Fallon counties or of \$500 in Daniels, Dawson, McCone, Richland, Roosevelt, Sheridan and Wibaux counties.

The rental allowance is intended for individual/family housing needs and shall not be used for shared/sublet housing arrangements.

To be eligible, the employee's monthly rental must be at least \$50 a month above the current year's HUD Fair Market Rents Rates. Employees must also provide the following documentation to the Department's Office of Human Resources:

- the *Rental Allowance Agreement form*
- a copy of their rental agreement

Other Terms and Conditions:

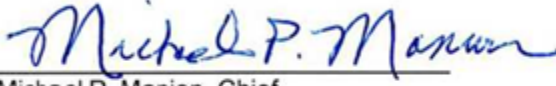

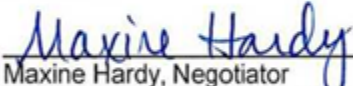

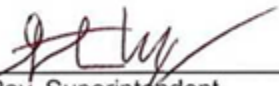

Employees must comply with all terms and conditions of the NERDI policy and the Department's procedures.

Union employees currently receiving a mileage allowance under the previous MOU will be grandfathered in to this MOU and will continue to receive their mileage allowance while at their current residence. If a union employee who has been receiving the mileage allowance under the previous MOU changes residence, the employee must meet all the terms and conditions of this MOU to be eligible for a new mileage allowance.

Should economic conditions no longer warrant the Department providing rental or mileage allowances, or if adequate funds are no longer available within the Department's budget, the Department will discontinue such payments. Employees will be given at least a 30-day notice prior to any Department initiated modification or discontinuation of a housing or mileage allowance. Further, the Department agrees to discuss any modifications or planned discontinuation of either of these programs with the Unions prior to implementing such action(s).

The application of this MOU is not subject to the Grievance procedure.

Signed and dated this 29<sup>th</sup> day of December, 2015.
