COLLECTIVE BARGAINING AGREEMENT
between
CITY OF BOZEMAN
and
MONTANA FEDERATION OF PUBLIC EMPLOYEES

AGREEMENT

This Agreement, made and entered into this ____ day of _____, 20__ between the City of Bozeman, Montana, a municipal corporation, hereinafter referred to as "Employer", and the Montana Federation of Public Employees, hereinafter referred to as "Federation".

It is the intent and purpose of this Agreement to assure sound and mutually beneficial working relationships between the Employer and its employees, to provide an orderly and peaceful means of resolving grievances, to prevent interruption of work and interference with the efficient operation of the City of Bozeman, and to set forth herein a basic and complete agreement between the parties concerning terms and conditions of employment which are not otherwise mandated by statute. It is understood that the Employer is engaged in furnishing an essential public service which vitally affects health, safety, comfort and general well-being of the public; and both parties hereto recognize the need for continuous and reliable service to the public.

All references to Montana Code Annotated (MCA) can be found at <https://leg.mt.gov/bills/mca/index.html> as of October 2019.

ARTICLE 1 - RECOGNITION

- A. The Employer recognizes the Federation as the sole and exclusive representative of all employees within the bargaining units as defined and certified by the Board of Personnel Appeals.
- B. The bargaining unit includes all employees of the City of Bozeman who work at least twenty hours per week or more on a continual basis, excluding supervisors, management officials, confidential employees, professional engineers and engineers in training, and excluding those employees whose positions are included in bargaining units represented by other labor organizations. The bargaining unit excludes seasonal, temporary, short term, as defined by MCA 2-18-101 and grant funded employees:

Grant Funded: Employees funded by grants which do not expect to be employed more than twelve months.

ARTICLE 2 - DEFINITIONS

Whenever the following words or phrases appear in this agreement, they shall have the meaning assigned to them by this Article. When not inconsistent with the context, words used in the present tense shall include the future; the singular shall include the plural, and the plural shall include the singular.

Exempt Employee: An employee in a position designated as executive, administrative professional,

computer specialist and others not subject to the overtime pay provisions of the Federal Fair Labor Standards Act and its regulations.

Non-Exempt Employee: An employee subject to the overtime provisions of the Federal Fair Labor Standards Act and its regulations.

Regular Employee: An employee assigned to a regular position. These employees have successfully completed the initial employment period. Except for layoffs and/or reductions in force, regular employees may only be terminated for just cause. Regular employees may appeal dismissal, suspension or other punitive disciplinary actions through the grievance procedure.

Seniority: The length of continuous service as a regular employee since the original date of hire within the MFPE and within their division with the City of Bozeman. Seniority under this contract applies only to layoffs, recalls, and in hiring decisions when qualifications and capabilities are equal.

ARTICLE 3 - FEDERATION RIGHTS

- A. The employer will compensate not more than 6 members of the Federation's choosing as representatives for time spent during joint contract negotiations and Labor-Management meetings. The Federation shall immediately notify the City in writing of each such appointment and any changes.
- B. The internal business of the Federation shall be conducted by the employees during their non-duty hours, provided, however, that a selected and designated Federation officer or appointee shall be allowed paid time to act as an employee representative in a disciplinary meeting when requested by the employee, but the Employer will not compensate the aforementioned individuals for time spent investigating or preparing for such activities; and these activities will be conducted outside their normal work schedule.
- C. With prior approval and so as not to disrupt work in progress, the Federation's staff will be allowed to visit work areas of the employees during work hours and confer on employment relation matters.
- D. The Federation may utilize space on bulletin boards currently used for employee notices.
- E. Accredited Federation representatives shall, with the written approval of the employee, have the right to inspect an employee's personnel file, with the exception of medical information unless the issue involves such matter.
- F. The Federation may be allowed to use the Employer's facilities for Federation meetings, contingent upon availability and management approval.

ARTICLE 4 - FEDERATION SECURITY

- A. Membership in the MFPE is administered by MFPE representatives and all questions should be directed to the Federation. The employer will provide contact information for the Federation.
- B. Upon receipt of a written authorization from an employee covered by this Agreement, the Employer shall deduct from the employee's pay the amount owed to the Federation by such employee for dues. The Employer will remit to the Federation such sums within thirty calendar days. Changes in the Federation membership dues will be certified to the Employer in writing over the signature of the authorized officer or officers of the Federation and shall be done at least thirty calendar days in advance of such change.

- C. The Employer, within thirty days of the signing of this Agreement, shall present the Federation with a list of the names and addresses of all current employees covered by this Agreement, and shall update such list each month of all new hires.
- D. The Federation will indemnify, defend and hold the Employer harmless against any claim made and against any suit instituted against the Employer, including attorney fees and costs of defense thereof, on account of any provision of this Article.

ARTICLE 5 - MANAGEMENT RIGHTS
(In compliance with Section 39-31-303, M.C.A.)

The Federation shall recognize the prerogatives of the Employer to manage, direct and control its business in all particulars, in such areas as, but not limited to:

1. Direct employees;
2. Hire, promote, transfer, assign and retain employees;
3. Relieve employees from duties because of lack of work or funds or under conditions where continuation of such work would be inefficient and non-productive;
4. Maintain the efficiency of government operations;
5. Determine the methods, means, job classifications and personnel by which the Employer operations are to be conducted;
6. Take whatever actions may be necessary to carry out the missions of the Employer in situations of emergency; and
7. Establish the methods and processes by which work is performed.

Such rights are retained by the Employer unless such rights are specifically relinquished in this Agreement.

ARTICLE 6 - NONDISCRIMINATION

The Employer and the Federation affirm their joint opposition to any discriminatory practices in connection with employment, promotion or training, remembering that the public interest requires the full utilization of the employees' skills and abilities without regard to any prohibited category. Claims of discrimination shall be processed through the procedure provided by the applicable statute.

ARTICLE 7 - DRUG AND ALCOHOL TESTING

Employees may not be under the influence of, or impaired by, drugs or alcohol while on duty. Employees thought to be under the influence will be subject to reasonable suspicion testing. Violation of this policy may result in disciplinary action up to and including termination, and may have legal consequences.

REASONABLE SUSPICION DRUG AND ALCOHOL TESTING

Supervisor and Management officials shall receive training on reasonable suspicion. If a supervisor or manager reasonably suspects that an employee is under the effects of drugs or alcohol, he or she will ask another supervisor to confirm a suspicion. Then, the employee will be subject to drug and/or alcohol testing.

POST-ACCIDENT DRUG AND ALCOHOL TESTING

Employees who are involved in workplace accidents resulting in any physical injury or in equipment damage of \$1,500 or more, shall be subject to post-accident drug and alcohol testing.

ARTICLE 8 - PAY AND HOURS

- A. Position Pay Ranges: See Addendum A.
- B. Pay Plan: See Addendum B.
- C. City of Bozeman Supplemental Retirement Program: See Addendum C.
- D. Nothing in this Agreement shall be construed as a guarantee or limitation of the number of hours to be worked per day, days per week, or for any other period of time.
- E. A regular work day shall normally consist of eight hours of continuous work, including two duty free rest breaks. The employee shall be granted a duty free meal break (sometime around mid-day or mid-shift), the length and scheduling of which will be determined through mutual agreement with the employee and his/her immediate supervisor. The meal break shall be normally without pay unless established otherwise by the Employer.
- F. A regular work week shall normally consist of five regular work days, Monday through Friday, inclusive, totaling 40 hours. The regular work week is not the work week designation required by the Fair Labor Standards Act.
- G. A designated work week shall normally consist of forty hours composed of any five consecutive work days, immediately followed by two days off.
- H. Alternate Work Schedule: The Employer may establish an alternate work schedule wherein forty hours may be worked as straight time in other than five days or eight continuous hour days.
- I. Excluding emergencies, employees placed on a regular or alternative work schedule shall not have their work schedules changed unless given fourteen calendar days notice of the change.
- J. Employees who are scheduled to work 30 hours or more per week and who are called out for work and report outside the regular shift shall be paid for a minimum of two hours at a rate of 1/2 times the regular rate of pay, except for holidays, as enumerated in Article 9, Section C. Each hour after two hours shall also be paid at the above rates. It is understood that this provision does not apply to overtime work, which is essentially a continuation of the work day, scheduled weekend overtime, scheduled staff meetings or scheduled training sessions.
- K. When an employee is officially assigned to temporarily perform all of the primary duties assigned to a higher paid position for a period of at least five (5) consecutive days, the employee will receive a stipend of 5% of his or her regular rate of pay for all such hours. However, when such an assignment lasts longer than 20 work days, the employee will for all such temporarily assigned hours thereafter be paid at market entry of the higher paid position, as long as market entry of the higher paid position is at least 5% higher than the employee's current pay rate.
- L. If management makes changes to an employee's position that results in a significant change in required knowledge, skills, and abilities, Management, the employee, and the Union Field Representative shall meet and confer about the compensation.

ARTICLE 9 - HEALTH/DENTAL/VISION INSURANCE

Section 1.

Effective July 1, 2019 (June 2019 payroll deduction), the Employer will contribute:

Coverage	Employer Share
Employee-Only	\$734.00
Employee & Spouse	\$958.00
Employee & Children	\$908.00
Employee & Family	\$1244.00

for full time employees toward an employee's health, dental, vision, prescription insurance and other cafeteria plan options.

The Employer may require employees to pay additional contributions to cover dependents, spouses and/or domestic partners. Costs of these additional coverages will be paid by the employee through payroll deduction.

During open enrollment each year, employees may select their insurance coverage by choosing from among the plans offered by the City.

Subsequent years' contributions will be determined through the health insurance committee, subject to City Commission approval.

The City will contribute the following percentages of the individual premium levels for part-time employees:

Regularly Scheduled Hours	Employer Contribution
20 hours through 29 hours	50%
30 hours through 39 hours	75%
Individual premium levels are the same premium levels retirees pay for insurance coverage for each of the following categories: Employee Only, Employee & Partner, Employee & Children, Employee & Family.	

Section 2.

Program to Augment Retirement Benefit - Recognizing the previous intent of employees and the City, as reflected in Article 8 Section 2 of the FY2008- FY2011 collective bargaining agreement, to allow employees to participate in an I.R.C. § 125 plan whereby employees can contribute toward the purchase of health/dental/vision/prescription insurance on a pre-tax basis, and seeking to clarify the employees options under such plan, Article H8 Section 2 of the collective bargaining agreement is hereby retroactively amended to July 1, 1996 as follows:

Effective July 1, 1996, the Employer contribution toward employee's health/dental/vision/prescription insurance will be added to the employee's gross pay. This portion of the employee's gross pay is hereinafter referred to as the "Contribution." As part of this collective bargaining agreement, employees are required to participate in the Employer health/dental/vision/prescription insurance plan on either a pre-tax or post-tax basis. If an employee elects to participate on a pre-tax basis, the employee shall authorize a payroll deduction from the employee's gross pay equal to the Contribution toward employee's health/dental/vision/prescription insurance. This deduction from the employee's gross pay will be paid into

a fund maintained to provide health/dental/vision/prescription insurance benefits for employees.

If an employee elects to participate on a post-tax basis, the Contribution shall be taxable income to the employee and the employee shall authorize the payment of the Contribution value, after its deemed receipt, toward the employee/s health/dental/vision/prescription insurance.

Including the Employer contribution toward employee's health/dental/vision/prescription insurance in the employee's gross pay serves the purpose of augmenting the employee's eventual retirement benefit. It is hereby acknowledged that both employee and employer retirement contributions will be required on this additional gross income--causing a decrease to the net income of the employee. It is also the intent of the employees and the Employer that the Contribution be excluded from the determination of the employee's regular rate of compensation as that phrase is defined under 29 U.S.C. § 207(e) (4). In the event that any subsequent law, court, arbitrator, or other lawful authority determines that the inclusion of the Employers health/dental/vision/prescription insurance contribution in the employee's gross pay should be included in overtime compensation calculations, then the parties agree that there will be a corresponding adjustment to the affected hourly rate of pay to carry out the intent of this provision. The intent of such adjustment will be to result in the least net financial effect on both the employee and the employer.

Effective July 1, 2010, regardless of the amount the Employer contributes toward an employee's health insurance as stated in Section 1 above, the Contribution to an employee's gross pay for purposes of calculating income for retirement purposes will be \$480.00 per month.

Any employee with a hire date after June 30, 2011, will not be eligible to participate in the Program to Augment Retirement Benefit.

ARTICLE 10 - HOLIDAYS

A. For pay purposes, the following shall be recognized holidays for bargaining unit employees:

New Year's Day	January 1
Martin Luther King Day	Third Monday in January
Lincoln's/Washington's Birthdays	Third Monday in February
Memorial Day	Last Monday in May
Independence Day	July 4
Labor Day	First Monday in September
Veteran's Day	November 11
Thanksgiving Day	Fourth Thursday in November
In lieu of Columbus Day	Day after Thanksgiving
General Election Day/personal day	in alternate years
Christmas	December 25

The Library Board of Trustees may establish alternate days for holidays, but in no case shall employees receive fewer holidays without appropriate compensation.

B. The holidays listed in Section A shall be granted at the regular rate of pay to all eligible full-time employees except as provided for in Section C. Eligible part-time employees shall receive 1% times the regular rate of pay for actual hours worked on a holiday, plus prorated hours at straight time for the holiday, based on the number of hours the employee is scheduled to work during the month. To be eligible for holiday pay, an employee must be in pay status on the last scheduled working day immediately before the holiday or on the first regularly scheduled working day immediately after the holiday. If a part-time employee suffers a reduction in total hours as a result of a proration in holiday hours, then that employee can make up those lost hours at a different time, within the work week, subject to scheduling of work time by the immediate supervisor.

- C. When a non-exempt full-time employee is required by the Employer to work on a holiday listed above, he/she will be paid at the rate of 2 times his/her regular rate of pay, or at the employee's option, 1 times his/her regular rate of pay and an alternate day off, to be taken at a time agreeable to the employee and Employer. Non-exempt full-time employees shall be given the opportunity to select their option on the commencement of their employment and shall be bound by their choice for at least a one year period, unless otherwise agreed to by the Employer. Full-time exempt employees and employees who request and are authorized to work on a holiday shall receive their regular rate of pay and an alternate day off, to be taken at a time agreeable to the employee and the Employer. Eligible non-exempt part-time employees shall receive benefits granted in this Section on a pro rata basis.
- D. Any eligible full-time employee who is scheduled for a day off on a day which is observed as a legal holiday, except Sundays, shall be entitled to receive a day off with pay either on the day preceding the holiday or on another day following the holiday, in the same pay period or as scheduled by the employee and his/her supervisor, whichever allows a day off in addition to the employee's regularly scheduled days off. Eligible non-exempt part-time employees shall receive benefits granted in this Section on a pro rata basis.

ARTICLE 11 - LEAVES

- A. Jury and Witness Duty: Employees summoned to serve as jurors or witnesses shall be granted leave per Section 2-18-619, M.C.A.
- B. Sick Leave: Employees shall be granted sick leave per Section 2-18-618, M.C.A., and according to the following:
 - 1. Notification of absence because of illness shall be given as soon as possible to either the immediate supervisor or to the individual designated to receive such calls.
 - 2. In the event that an employee on annual leave becomes ill, the employee shall be afforded the right to change his/her annual leave status to sick leave status and to utilize available sick leave credits upon furnishing Management acceptable medical certification.
 - 3. The Employer may not require a doctor's certification to substantiate sick leave usage from an employee in the bargaining unit unless the employee has been away from work in excess of five days on sick leave or unless the Employer has good reason to suspect sick leave abuse. A proven abuse of sick leave may result in termination and a waiver of the sick leave cash-out per Montana statute.
 - 4. Accrued and available sick leave will be allowed for necessary attendance to the illness of a member of the employee's immediate family.
- C. Annual Leave: It is understood that employees may take annual leave, with prior Management approval, at their individual discretion as long as the execution of this right does not cause an undue burden for the Employer's operation.
 - 1. Each regular full-time employee shall earn annual leave credits from the first day of employment. For calculating vacation leave credits, 2,080 hours (52 weeks x 40 hours) shall equal one year. Vacation leave credits earned shall be credited at the end of each pay period. However, employees are not entitled to any vacation leave with pay until they have been continuously employed for a period of six calendar months. Regular part-time employees are entitled to prorated vacation benefits if they have worked the qualifying period. An employee may not accrue annual leave credits while in a leave without pay status

exceeding fifteen working days.

2. Annual leave may be accumulated to a total not to exceed two times the current maximum number of days earned annually as of December 31 of any calendar year. Vacation time accrued in excess of the allowable accumulation is not forfeited if it is taken by March 31 of the succeeding calendar year. It is the responsibility of the Employer to provide reasonable opportunity for an employee to use rather than forfeit accumulated leave. If an employee makes a reasonable written request by January 15th to use excess vacation leave before the excess vacation leave must be forfeited, and the Employer denies this request, the excess vacation leave is not forfeited. Instead, the Employer must ensure that the employee may use the excess vacation leave before the end of the calendar year in which the leave would have been forfeited.
3. Vacation leave credits shall be earned at a yearly rate calculated in accordance with the following schedule, which applies to the total years of employment with any Montana city, county or state government, regardless if there is a break in service.

YEARS EMPLOYED	DAYS PER YEAR
1 day through 10 years	15
10 years through 15 years	18
15 years through 20 years	21
20 years+	24

D. Leave Without Pay:

1. A leave without pay must be requested by the employee in advance, and Management shall then determine if the employee can be excused for the time requested. The employee shall use the standard leave request form. The approval or disapproval from Management shall be based on the needs of the agency, the reason for the request, and the employee's work performance. The employer may require the employee to utilize unused annual leave or compensatory time prior to authorizing leave without pay.
2. Employees on leave of absence without pay will be responsible for not only their portion of any and all insurance premiums, but also the employer's contribution.

- E. Military Leave: Military leave shall be granted per Section 10-1-1009, M.C.A. and Federal Law.
- F. Workers' Compensation Leave: A regular employee injured on the job and eligible for Workers' Compensation benefits shall retain all rights provided by 39-71-317, MCA, and the Family and Medical Leave Act.
- G. Employer will comply with federal and state leave laws, as described in the Employee Handbook.
- H. Bereavement Leave: Bereavement leave shall be granted per the provisions of City Policy.

ARTICLE 12 - INFORMAL DISPUTE RESOLUTION AND GRIEVANCES

INFORMAL DISPUTE RESOLUTION AND GRIEVANCES

Having a desire to create and maintain labor relations harmony between them, the parties agree that they will promptly attempt to adjust all disputes involving the interpretation, application or alleged violation of a specific provision of this Agreement. Any of the following Procedures or Steps may be modified upon mutual agreement by both parties.

A. Informal Dispute Procedure

Any dispute involving the interpretation, application or alleged violation of a specific provision of this Agreement shall be discussed with the employee's immediate supervisor within five working days of the dispute or five working days from when the employee should have reasonably known of the dispute. The immediate supervisor shall have five working days to respond. All disputes must be discussed with the immediate supervisor prior to the filing of a grievance, and no grievance may be filed until the immediate supervisor has been given opportunity to attempt resolution under this part.

B. Grievance Procedure

1. Rules Of Grievance Processing

- A. No issue shall be subject to the Grievance Procedure or Arbitration Procedure, unless the grievance shall allege the breach of an express provision of the Agreement, and the grievance shall be filed, answered and proceed through the Steps using the form supplied in Addendum
- B. Time limits of any stage of the grievance procedure may be extended by written mutual agreement of the parties at that step.
- C. A grievance not filed or advanced by the grievant within the time limits provided shall be deemed permanently withdrawn as having been settled on the basis of the decision most recently received. Failure on the part of the Employer's representative to answer within the time limits set forth in any step will entitle the employee to advance the grievance to the next step.
- D. An appointed authority may replace any titled position in the grievance procedure, provided that such appointee has full authority to act in the capacity of the person being replaced.
- E. When the grievance is presented in writing, there shall be set forth both of the following:
 - 1. A complete statement of the grievance and facts upon which it is based, and;
 - 2. The grievance must state the specific section of the contract alleged to be violated and the remedy sought by the employee.
- F. Those employees desiring to use alternative grievance procedures may not pursue the same complaint under the provisions of this contractual procedure. Similarly, an employee pursuing a grievance under the provision of this contract may not pursue the same grievance under another procedure.
- G. The parties may, at any point in this process, mutually agree to terms that would resolve the grievance.

2. Grievance Steps

Step 1. If the dispute is not resolved informally, and in order to proceed, a grievance must be presented in writing to both the Federation and the appropriate Management official using Addendum D – Grievance Report Form within ten working days from the receipt of the immediate supervisor's response to the informal dispute. The Management official at this step shall have ten working days from the receipt of the grievance to respond in writing to the Federation and the grievant.

Step 2. If the grievance is not resolved by Management's response in Step 1, the grievant may forward the grievance to the City Manager within 10 working days of receipt of Management's response. The City Manager shall render a decision and respond to the Federation and the grievant within ten working days.

Step 3. If the grievance cannot be resolved at Step 2, the Federation shall, within ten working days of receipt of the Step 2 response, notify the City Manager of its decision to take the grievance to final and binding arbitration.

RULES FOR ARBITRATION

- A. Within ten working days of receipt of the Federation's notice of its intent to arbitrate a grievance, the Federation shall call upon the Montana Board of Personnel Appeals for a list of seven potential arbitrators.
- B. Within 10 working days of receiving the list the parties shall confer to strike names to the list in alternate order.
- C. Each party shall be entitled to strike names from the list in alternate order, and the name so remaining shall be the arbitrator. The arbitrator shall render a decision, which shall be final and binding.
- D. Each party shall share equally the cost of the arbitrator. In the event one of the parties wants transcripts from the proceedings of the arbitration, the party requesting the transcripts shall pay all costs. If each party requests a transcript, they shall equally share the costs.
- E. The arbitrator may not add to, subtract from or modify the terms of this Agreement.
- F. In the event the arbitrator charges a fee(s) for canceling an arbitration hearing, the party requesting the cancellation is responsible for payment.

ARTICLE 13 - OVERTIME AND COMPENSATORY TIME

- A. "Nonexempt" employees shall be paid at a rate of one and one-half times their regular rate of pay for all authorized time they work *over* forty hours per week. By agreement between the parties, a nonexempt employee may choose to accrue compensatory time in lieu of overtime pay under the following rules:
 - 1. Compensatory time for employees will accrue at the rate of one and one-half hours for each hour of overtime worked.

2. Compensatory time may not be accrued beyond on 180 hours, which represents not more than 120 hours of actual overtime worked.
 3. An employee must have the appropriate supervisor's prior approval to accrue or use compensatory time.
 4. Upon termination, unused accumulated compensatory time will be paid to the employee at their final regular rate of pay.
- B. The Employer will make a good faith effort to equalize the offer of scheduled overtime and compensatory time among the employees in the same work unit and classification where training and ability are sufficient to do the work.
 - C. If job related travel time is scheduled for other than the employee's normal work week, such travel time shall be compensated in accordance with the FLSA.
 - D. No supervisor will regularly perform the work of a bargaining unit employee except in the case of instruction and training, assisting employees, in emergency situations and in the preparation of reports or documents.
 - E. It is understood that employees may take compensatory time, with prior Management approval, at their individual discretion as long as the execution of this right does not unduly disrupt the Employer's operation.
 - F. Employees may convert 1 or 2 days of compensatory time each year to deferred compensation. Hours will be converted in September of each year, consistent with the sick leave pro- gram. The program will commence in FY 95 (hours as of June 30, 1994) which will be converted in September of 1994. The same for subsequent years.
 - G. The City may cash out accumulated compensatory credits from time to time with the agreement of the subject employee.

ARTICLE 14 - JOB SECURITY

- A. A twelve (12) month initial employment period shall be utilized for the most effective adjustment of a new employee and for the elimination of an employee in his/her initial employment period whose performance does not, in the judgment of the employee's supervisor, meet the required standard of performance. If the Employer determines at any time during the initial employment period that the services of the employee in his/her initial employment period are unsatisfactory, the employee may be separated upon written notice from the Employer. The initial employment period may be extended in writing for a period of up to six (6) months if, in the opinion of the Employer, extenuating circumstances dictate.
- B. The Employer may discharge any non-probationary employee only for just cause. The Employer shall furnish an employee subject to discharge or suspension with a written statement of the grounds and specific reason(s) for such actions. A regular employee may appeal his/her dismissal, suspension or other punitive disciplinary action through the grievance procedure.
- C. Upon promotion or transfer to an MFPE position, the employee will be subject to a six (6) month probationary period. The probationary period for promotions may be extended in writing for a period of up to six (6) months if, in the opinion of the Employer, extenuating circumstances dictate.

ARTICLE 15 - SENIORITY

- A. Seniority means the length of continuous service as a regular employee since the most recent date of hire with the City of Bozeman. Seniority shall cease to accrue during a period of layoff or leave without pay that exceeds thirty working days or after a permanent transfer out of the bargaining unit. Previously credited service, however, will not be lost; and an employee who is recalled or transfers back into the bargaining unit will retain all prior seniority. Seniority shall be revoked upon termination, retirement or discharge for cause.
- B. Qualifications and capabilities shall be the controlling factors in filling new or vacant permanent positions. When qualifications and capabilities are substantially equal, seniority will be used to make the final decision.
- C. Layoff:
1. Layoff caused by reduction in force shall be in order of seniority by job class within a division of the City. Letters of caution, consultation, warning, admonishment and reprimand may also be considered.
 2. No regular employee will be laid off as a result of a reorganization unless his/her position is eliminated and no other position within the budget unit for which he/she qualifies is available, or his/her position has been restructured to render the current employee not qualified or capable of performing the new duties and responsibilities.
- D. Layoff Pool: Regular employees who have been notified of a layoff may submit an application to Human Resources which will be placed in a layoff pool for recall purposes. Eligible employees must apply to the layoff pool within thirty days from the date of written notification of layoff, or their rights to the layoff pool shall be waived. Applications for the layoff pool will be active for fifteen months. Employees in the layoff pool may apply for any bargaining unit position for which they qualify. Hiring authorities must first consider qualified and capable employees in the layoff pool for open positions in the bargaining unit.
- E. No regular employee shall be laid off while temporary or initial employment period employees with the same qualifications and capabilities are retained in the division.
- F. The Employer shall give regular employees subject to lay off a minimum of fifteen working days advance notice and shall deliver a copy of the notice to the Federation.
- G. Essential employees are exempt from seniority rules. The City shall not be required to lay off an individual who has certain unusual working knowledge or is otherwise deemed to be an essential employee. Under this article, an essential employee is someone who holds specialized knowledge and skills, and whose services are essential for a successful operation of the department enterprise

ARTICLE 16 - VACANCIES AND PROMOTIONS

The following procedures will be observed in the posting and filling of vacant or newly-created permanent positions. The purpose of this system is to inform employees of vacancies and newly-created positions and to afford employees, who are interested and who feel they qualify an equal opportunity to apply for the vacant or newly-created position. It is understood that newly hired

employees and employees on a leave of absence for any reason may not have the same period of notice as other employees concerning position vacancies.

- A. When a vacant or newly-created permanent position is to be filled, the notice will be posted in a specific place designated for job opening notices, and shall state where interested employees are to make application, the cutoff date of application submittal and the minimum qualifications.
- B. The Employer will ensure that all such applications are considered in the selection process. In the event similar qualifications exist, current employees will be selected over non-employees. Members in the bargaining unit who are unsuccessful applicants shall be so notified upon completion of the selection process.
- C. All positions in the bargaining unit shall be posted, per the provisions of this Article, for at least five working days.

ARTICLE 17 - RATINGS AND WARNINGS

- A. Any employee may request, at any time, and shall receive a copy of his/her current class specification.
- B. A copy of any such material shall be furnished to the employee upon request.
- C. An employee desiring that any material except annual personnel evaluations, which he/she feels is incorrect and should be removed from the personnel file of the employee, shall have the right to appeal it through the grievance procedure.
- D. Letters of caution, consultation, warning, admonishment and reprimand shall be considered temporary contents of the personnel file of an employee and shall be removed no later than two years after they have been placed in the file, unless such items can be used in support of possible disciplinary action arising from more recent employee action or behavior patterns or are applicable to pending legal or quasi-legal proceedings. The employee must request, in writing, to purge information from his/her personnel file. However, such removal shall not be deemed as a restriction on the use of such in any subsequent personnel action. Material placed in the personnel files of an employee without conformity with the provisions of this Section will not be used by the Employer in any subsequent disciplinary proceeding involving the employee.

ARTICLE 18 - CONTINUING EDUCATION

Employer agrees to implement a continuing education program for interested employees that will allow each employee to take one class per year in a field related to his/her current position and approved by his/her supervisor. The program will either pay tuition for the class, or allow the class to be taken during working hours without a reduction in the employee's pay. The program is subject to the following additional conditions:

- A. The training requires approval by the department head of the employee's respective department;

- B. Approval must be received in advance;
- C. Granting of either time off or reimbursement for the course will be at the department head's discretion; and

It is understood that although Human Resources and Federation Staff may serve as an advisory to the committee, they are not voting members and shall not be counted as such. The Meetings of the Labor Management Committee shall not be construed or intended to take the pace of formal bargaining sessions.

ARTICLE 20 - OTHER

- D. If a joint insurance committee is established, the Federation will be allowed to appoint at least one member to said Committee.
- E. All Federation members will be provided copies of the Employee Handbook; and they will be required to sign, attesting to their receipt of the Handbook. Specifically, but not exclusively, the Employer is not bound by any past practices of the Employer, unless such past practices are specifically stated in this Agreement. The Federation and the Employer agree that this Agreement is intended to cover all matters affecting wages, hours and other terms and all conditions of employment and similar or related subjects, and that during the term of this Agreement, neither the Employer nor the Federation will be required to negotiate on any further matters affecting these or any other subjects not specifically set forth in this Agreement.
- B. The parties recognize the right, obligation and duty of Personnel to promulgate rules, regulations, directives and orders from time to time as deemed necessary insofar as such rules, regulations, directives and orders that affect the members of the bargaining units covered by this Agreement are not inconsistent with the terms of this Agreement and are not inconsistent with the laws of the State of Montana and Federal laws.

7. The City's Pay for Performance Program shall be administered as follows:

- A. A performance evaluation system shall be utilized by the Employer in the evaluation of employees covered by this Agreement. The Evaluation system used will be consistent with that described in the City's Performance Appraisal Manual.
- B. When performance evaluations are prepared, the results of the final evaluation shall be transmitted to the employee in the form of a copy of his/her performance appraisal. The immediate supervisor shall discuss the evaluation with the employee and note by signature, retained in the personnel file, that the evaluation has been discussed with the employee. If the employee desires to submit a brief written statement in explanation or mitigation of any remark on the performance appraisal form, the statement shall be attached to the performance appraisal form in the personnel file.
- C. Annual pay adjustments will be granted only upon receipt of an Overall Performance Rating of "Meets Expectations" or better on the employee's annual performance appraisal. For purposes of this section, if a Supervisor fails to complete the evaluation in a timely manner, it will be treated as an overall Rating of "Meets Expectations".
- D. Employees who receive an overall performance rating of less than "Meets Expectations" may appeal their evaluations. A request to appeal the evaluation results shall be sent, in writing, to the MFPE Business Representative with a copy to the City's Human Resource Manager within five (5) working days of receipt of the evaluation.

ADDENDUM C - SUPPLEMENTAL RETIREMENT PROGRAM

PROGRAM DESCRIPTION

1. Employees are allowed to move portions of their sick leave balance from sick leave to one of the City's qualified deferred compensation plans. Sick leave hours converted to a deferred compensation plan will be paid at 75 percent of the employee's hourly rate at the time the hours are converted. This will occur during the month of September of each year and cover hours as of June 30 of that year. Employees will not be able to take the hours in the form of cash for current uses. Employees' remaining sick leave balances will continue to be paid at 25 percent of the employee's hourly rate at retirement or termination.
2. Sick leave hours eligible to move to a deferred compensation account are subject to the following restrictions:
 - A. Employees may not move sick leave hours if they do not have a minimum of two years' sick leave accrual (192 hours) on the books nor will they be able to move any sick leave hours which cause their sick leave balance to fall below 192 hours.
 - B. The amount of sick leave eligible to move to a supplemental retirement account will be determined on an annual basis as of June 30 of each year.
 - C. The amount of sick leave eligible to move to a supplemental retirement account equals: Sick leave accrual for the fiscal year (normally 96 hours) minus sick leave hours used during the fiscal year minus 48 hours equals the number of hours eligible to move to a supplemental retirement account (may not be less than zero).

Example: A full-time employee uses 1 day (8 hours) of sick leave during the year. That employee would be eligible to move 40 hours from his/her sick leave balance to a supplemental retirement account at the end of the fiscal year. 96 (sick leave accrual) - 8 (sick leave used) - 48 (required to go toward sick leave accrual) = 40 hours. This example assumes that the employee has a sufficient sick leave balance so that the movement of 40 hours out of sick leave will not cause the balance to fall below 192 hours. The employee will only be able to move as many hours as will result in his/her sick leave balance to be 192 hours.
3. The annual election to convert sick leave hours into deferred compensation under this program is irrevocable. Once sick leave hours are converted, they cannot be "purchased back" for use as leave at a future point in time.

ADDENDUM E - CLASS SPEC REVIEW

The Employer has agreed to the following process to facilitate employee and management review of Federation class specs. The purpose of this review is to educate employees on the definition of class specs and to ensure class specs are accurate and relevant to the current roles and responsibilities of the represented positions.

Upon review, any changes made may be subject to the provisions of Article 8, paragraph L of this contract.

The employer commits to:

1. Work with the Federation to schedule a joint meeting to describe the review process
2. Individually email each employee the current version of their class spec.

5. The HR Department will issue revised class specs and also identify class specs where no changes are required. This information would be sent to the employee, supervisor and Federation.

The Federation commits to;

1. Work with the City to schedule a joint meeting to describe the review process
2. Strongly encourage their members to attend one of the education meetings.
3. Actively participate in the review process and meet agreed upon deadlines.
4. Within 30 days of receipt of a final class spec, the Federation shall notify the City of any comment or concern they have with the decisions made by the City. The City retains the right to make final decisions regarding the content of class specs.

In any case this process will be completed within one year of ratification of the FY 2020-2022 MFPE collective bargaining agreement.
