Section 3. The internal business of the Federation shall be conducted by the employees during their non-duty hours; provided, however, that selected and designated Federation officers or appointees shall be allowed a reasonable amount of paid time to investigate and process grievances, including arbitration matters, but the Employer will not compensate the aforementioned individuals for time spent in such activities outside of their normal work schedule, nor may an individual create any overtime liability as a direct or indirect result of such activities.

Section 4. The Federation's staff will be allowed to visit work areas of the employees during work hours and confer on employment relations matters, provided that such visitations shall be coordinated in advance with Management and shall not unduly disrupt work in progress.

Section 5. The Federation may utilize a reasonable amount of space on bulletin boards as determined by local management on bulletin boards currently used for employee notices. No derogatory information concerning the Employer shall be posted by the Federation. The union shall have the right to utilize the State's email system for the purpose of posting and communicating electronic notices. Section 1. Employees covered by the terms of this Agreement shall not be required to

become members of the Federation.

Section 2. The Employer will remit to the Federation such sums within 30 calendar days. Changes in the Federation membership dues rate will be certified to the Employer in writing over the signature of the authorized officer or officers of the Federation and shall be done at least 30 calendar days in advance of such change.

Section 3. The Employer, within 30 days of the signing of this Agreement, shall present the Federation with a list of names and addresses of all current employees covered by this Agreement, and shall update such list each month for all new hires.

ARTICLE 6 - NON-DISCRIMINATION

Section 1. No member of the Federation shall be discharged or discriminated against for upholding Federation principles. The Employer and the Federation affirm their joint opposition to any discriminatory practices in connection with employment, promotion or training, remembering that the public interest requires the full utilization of the employees' skills and ability without regard to race, color, creed, national origin, age or sex.

Section 2. In accordance with the provisions of the Governmental Code of Fair Practices, the Employer shall recruit, appoint, assign, train, evaluate and promote its employees on the basis of merit and qualifications, without regard to race, color, religious creed, political ideas, sex, age, marital status, physical or mental handicap, national origin and ancestry.

Section 4. A regular workday shall consist of eight hours of continuous work, including two duty free rest breaks as determined by individual supplemental agreement. Employees shall also be granted a duty-free meal break, the length and scheduling of which is to be determined by the individual supplemental agreement. The meal break shall normally be without pay unless established otherwise by the individual supplemental agreement.

Section 5. A regular workweek shall consist of five regular workdays, Monday through Friday inclusive, totaling 40 hours.

Section 6. A designated workweek shall consist of 40 hours composed of any five consecutive workdays, immediately followed by two days off.

Section 7. In work areas where a regular workweek is not feasible, employees may be assigned to a designated workweek by mutual agreement. In the event that mutual agreement cannot be reached with any employee, the employee with the least seniority within a classification will be assigned to the duty.

Section 8. Employees placed on a regular or designated work schedule shall not have their work schedule changed unless given 10 days' notice of the change, except in emergency situations.

Section 9. Full-time employees who are called out for work and report outside the regular shift shall be paid for a minimum of two hours at a rate of one and one-half times the regular rate of pay, except for holidays, as enumerated in Article 9, which will be paid at two and one-half times the regular rate of pay. Each hour after two hours shall also be paid at the overtime rates. It is understood that this provision does not apply to overtime work, which is contiguous with the regular or designated workday.

Section 10. The pay matrix attached (Addendum A) include the entry salary and market salary rates for each pay band for fiscal years 2020-2021 exclusive of longevity pay and contribution toward health insurance as provided in statute.

Section 11. As per the statute regarding state employee pay, bargaining units must ratify a completely integrated collective bargaining agreement prior to receiving a negotiated increase in pay. Any retroactivity will be negotiable.

"Non-exempt" employees shall be paid at a rate of one and one-half times their regular rate of pay for all authorized time they work over eight hours per day, or 40 hours per week. The over eight-hours per day overtime provisions of this Article shall not be in effect in those instances where employees are on a work schedule that anticipates an employee working 40 hours per week in other than five eight-hour days.

Section 2. Upon mutual agreement between the employee and Management, a "non-exempt" employee may be allowed to accrue and use non-exempt compensatory time in lieu of cash overtime compensation.

Subsection 1. Compensatory time for "non-exempt" employees will accrue at the rate of one and one-half hours for each hour of overtime worked.

Subsection 2. "Non-exempt" compensatory time may not be accrued beyond 240 hours, which represents not more than 160 hours of actual overtime worked.

Subsection 3. A "non-exempt" employee must have the appropriate supervisor's prior approval to accrue or use compensatory time.

Subsection 4. Upon termination, unused accumulated non-exempt compensatory time will be paid to the employee at their final regular rate of pay, or the average regular rate received by such employee during the last three years of employment, whichever is higher.

This section shall be administered in accordance with Federal Fair Labor Standards Act, Federal regulations, and Montana Operations Manual-Overtime and Nonexempt Compensatory Time Policy.

Section 3. "Exempt" employee means an employee in a position designated as executive, administrative, or professional, which is not subject to the overtime pay of the Federal Fair Labor Standards Act and its regulations. Subsection 1. Compensatory time will be credited on an hour-for-hour basis, for all authorized time worked in excess of eight hours per day or 40 hours per week.

Subsection 2. Compensatory time will be recorded in increments of no less than half hour, but all time earned or taken in fractions of one hour will accumulate until the half-hour minimum is attained, at which point the time will be recorded.

Subsection 3. Compensatory time may be accumulated to a maximum of 120 hours.

Compensatory time in excess of 120 hours will be forfeited if not taken within 90 calendar days from the last day of the calendar year in which the excess was accrued.

Subsection 4. Compensatory time shall be earned as approved by the Employer and shall be taken at a time agreeable to the employee and the Employer.

Section 4. The Employer will make a good faith effort to equalize the offer of scheduled overtime and compensatory time among employees in the same work unit and classification where training and ability are sufficient to do the work.

Section 5. If the job-related travel time is scheduled for other than the employee's normal workweek, such travel time shall be compensated in accordance with the terms of this Article.

Section 6. Authorized holiday leave, sick leave, annual leave, or compensatory time off shall constitute time worked when computing overtime or compensatory time credits under this Article.

Section 7. The Employer agrees that no supervisor or administrator will regularly perform the duties of an employee covered by this Agreement who is ready, willing and able to perform such duties and who would normally be entitled to overtime for such performance.

Section 8. Overtime or compensatory time as provided for in this Agreement shall not be pyramided under any circumstances.

Section 9. Consenting employees may be relieved of duty during regular shift hours in order to offset overtime hours worked within the 40-hour workweek.

Section 10. The Employer agrees not to block out periods of time during which by policy employees will not be allowed to use accrued compensatory time so long as it is understood that the Employer may approve or disapprove compensatory time usage dependent upon the needs of the agency.

ARTICLE 10-LEAVES

Section 1. JURY AND WITNESS DUTY. Employees summoned to serve as jurors or witnesses shall be granted leave per 2-18-619, MCA.

Subsection 1. Notification of absence because of illness shall be given as soon as possible to either the immediate supervisor or to the individual designated to receive such calls. Management agrees to take appropriate steps to ensure notification to employees of the names and telephone numbers of the designated individuals. If the employee fails to give such notification, the absence may be charged to leave without pay. Absence in excess of one shift without receipt of proper notification by the Employer from the employee shall constitute just cause for immediate discharge, unless the failure to give such notification was due to circumstances beyond the control of the employee. In cases where employees are performing functions that will require a replacement, said employee will, if possible, notify Management of their absence at least four hours in advance of the beginning of the employee's shift.

Subsection 2. Sick leave utilized must not exceed the amount accrued by the employee. If an employee is ill and has exhausted his/her sick leave credits, s/he may utilize his/her accrued annual leave. If an employee has exhausted all accrued sick leave, the Employer may permit the employee to be placed on a leave without pay status for one year, renewable thereafter at the Employer's option on an annual basis.

Subsection 3. In the event that an employee on annual leave becomes ill, the employee shall be afforded the right to change his/her annual leave status to sick leave status and to utilize available sick leave credits upon furnishing Management acceptable medical certification, if required.

Subsection 4. The Employer may not require a doctor's certificate to substantiate sick leave usage from an employee in the bargaining unit unless the employee has been away from work in excess of three days on sick leave or unless the Employer has good reason

to suspect sick leave abuse.

Subsection 5. In the event that a holiday falls when an employee is on sick leave, the employee shall be changed from sick leave status to holiday status.

Section 3. ANNUAL LEAVE. It is understood and agreed that an employee within the bargaining units may choose to take at least two consecutive accrued work weeks of annual leave per year. It is also understood that employees may take annual leave, with prior Management approval, at their individual discretion as long as the execution of this right does not cause an undue burden for the Employer's operation.

Section 4. EMERGENCY LEAVE. Accrued and available sick leave will be allowed for necessary attendance to the illness of a member of the employee's immediate family until other attendance can be reasonable obtained, to attend a funeral in the immediate family, to receive medical, dental or eye examinations, or for other disability related emergencies. Absence in excess of one shift without receipt of proper notification by the Employer from the employee shall constitute just cause for immediate discharge, unless the failure to give such notification was due to circumstances beyond the control of the employee.

Section 5. LEAVE WITHOUT PAY. A leave without pay must be requested by the employee in advance, and Management shall then determine if the employee can be excused for the time requested. The employee shall use the standard leave request form. The approval or disapproval from Management shall be based on the needs of the agency, the reason for the request, and the employee's work record.

Section 6. MILITARY LEAVE. Military leave shall be granted in accordance with MCA. 2-18-614,10-1- 1009, and Montana Operations Manual Leave of Absence Without Pay Policy.

ARTICLE 11 - GRIEVANCES AND ARBITRATION

Section 1. Having a desire to create and maintain labor relations harmony between them, the parties hereto agree that they will promptly attempt to adjust all disputes involving the interpretation, application or alleged violation of a specific provision of this Agreement and associated supplemental agreements. Addendum B, attached hereto, shall be utilized to resolve grievances.

Section 2. During the processing of any matter under this Article, the Federation agrees not to strike, render unfair reports or cause slowdowns, and the Employer agrees not to lock out employees represented by the Federation.

ARTICLE 12 - JOB SECURITY

Section 1. A probationary period shall be utilized for the most effective adjustment of a new employee and for the elimination of any employee whose performance does not, in the judgment of the employee's supervisor, meet the required standard of performance.

The probationary period shall last for six months. If the Employer determines at any time during the probationary period that the services of the probationary employee are unsatisfactory, the

employee may be separated upon written notice from the Employer. The matter of the creation of additional probationary periods may be discussed in the appropriate supplemental(s).

Section 2. The Employer may discharge any employee with permanent status only for just cause. The Employer shall furnish an employee subject to discharge or suspension with a written statement of the grounds and specific reason(s) for such actions and shall in addition notify the Federation of the removal of an employee for cause. An employee with permanent status may appeal his/her dismissal, suspension or other punitive disciplinary action through the grievance procedure. This in no way limits management's prerogative to lay off employees in accordance with Article 13.

ARTICLE 13 - SENIORITY

Section 1. Seniority means the length of continuous service with the agency since the last date of hire.

Section 2. Seniority shall cease to accrue during a period of layoff or leave without pay that exceeds 60 working days or after a permanent transfer out of the bargaining unit. Previously credited service, however, will not be lost and an employee who is recalled or transfers back into the bargaining unit will retain all prior seniority. If leave without pay is for active duty military service, seniority shall continue to accrue as if the employee were continuously employed during the leave.

Seniority shall be revoked upon termination, retirement, or discharge for cause.

Section 3. Seniority, qualifications and capabilities shall be the controlling factors in filling new or vacant permanent positions.

Section 4. Qualifications, seniority and capabilities shall be the controlling factors in selection of employees for layoff among positions of the same grade and class by geographic location, as identified in the supplemental agreements.

Section 5. Recall from layoff shall be in reverse order of layoff. The Employer shall notify a laid off employee to return to work by sending a certified, return receipt letter to the last known address for the employee with a copy to the Federation and shall therein notify the employee that failure of the employee to notify the Employer of his/her intent to return to work within 10 calendar days of the mailing of said letter shall constitute a forfeiture of his/her right to return to work. Recall rights shall be limited to a period of two years following the date of layoff.

Section 6. No permanent employee shall be laid off while temporary or probationary employees in the same skill are retained.

ARTICLE 14 - VACANCIES AND PROMOTIONS

Section 1. The following procedures will be followed in the posting and filling of vacant or newly created permanent positions. The purpose of this system is to inform employees of vacancies and newly created positions and to afford employees who are interested and who feel they qualify an equal opportunity to apply for the vacant or newly created position. It is understood that newly hired employees and employees on a leave of absence for any reason may not have the same period of notice as other employees concerning position vacancies.

Subsection 1. When a vacant or newly created permanent position is to be filled, the Employer shall prepare a Job Posting Notice and send it to each respective bureau level area to be posted. The notice will be posted in a specific place designated for job opening notices and shall state where interested employees are to make application, and the cutoff date for application submittals, and the minimum qualifications.

Subsection 2. The Employer will ensure that all such applications be considered in the selection process. Members in the bargaining units who are unsuccessful applicants shall be so notified upon completion of the selection process.

Subsection 3. All positions in the bargaining unit, and those positions that immediately follow in a logical ladder shall be posted per the provisions of this Article for at least seven calendar days. However, Article 13 will not apply to positions not included in the unit.

ARTICLE 15 - RATINGS AND WARNINGS

Section 1. An employee may request and receive a copy of his/her current position description at any time.

Section 2. Unless otherwise established or modified in the individual supplemental agreements, the statewide performance evaluation system or another system approved by the State Human Resources Division shall be utilized by the Employer in the evaluation of employees covered by this Agreement.

Supervisors shall receive training in the operation of the performance appraisal system before evaluating employees.

Section 3. When performance appraisals are prepared by the employee's immediate supervisor and the next higher supervisor, the results of the combined evaluation shall be transmitted to the employee in the form of a copy of his/her performance appraisal. The immediate supervisor shall discuss the evaluation with the employee and note by signature retained in the personnel file that the evaluation has been discussed with the employee. If the employee desires to submit a brief written statement in explanation or mitigation of any remark on the performance appraisal form, the statement shall be attached to the performance appraisal form in the personnel file.

Section 4. No information reflecting critically upon an employee shall be placed in the personnel file of the employee that does not bear either the signature or initials of the employee indicating that s/he has been shown the material, or a statement by a supervisor that the employee has been shown the material and refused to sign it. A copy of any such material shall be furnished to the employee upon request.

Section 5. An employee desiring that material which s/he feels is incorrect and should be removed from the personnel file of the employee, shall have the right to appeal it through the grievance procedure.

Section 6. Letters of caution, consultation, warning, admonishment and reprimand shall be considered temporary contents of the personnel file of an employee and shall be destroyed no later than one year after they have been placed in the file unless such items can be used in support of possible disciplinary action arising from more recent employee action or behavior patterns or is applicable to pending legal or quasi-legal proceedings.

Section 7. Material placed in the personnel files of an employee without conformity with the provisions of this Section will not be used by the Employer in any subsequent evaluation or disciplinary proceeding involving the employee.

Section 1. The existing programs shall continue in full force and effect in accordance with state law.

Section 2. The Employer shall ensure reasonable access to the Federation and each employee an up-to-date policy of its rules, regulations and policies on employment related matters. The Federation shall be notified of any proposed changes or additions to personnel rules, regulations and policies issued by the Department of Administration and the individual departments, sufficiently in advance to allow discussion and comment by the Federation.

ARTICLE 18 - SUPPLEMENTAL AGREEMENTS

Section 1. It is hereby agreed that this contract will allow for supplemental agreements to be entered into for specific and unique requirements in the affected agencies. In all cases, specific provisions shall prevail over general provisions.

Section 2. In all units where supplemental agreements are to be entered into, this Master Contract shall not be effective in its particulars until the specific provisions of the supplemental agreements are completed.

ARTICLE 19-OTHER

Section 1. If an employee is required to wear a uniform, protective clothing, or any type of protective clothing or protective device, the Employer shall furnish said items.

Section 2. The Federation shall have access to the State Employee Group Benefit Advisory Council at its quarterly meeting and shall through that statutorily established channel have formal input relative to health insurance.

Section 3. The Employer shall use actual odometer mileage within reason in computing travel reimbursements so long as actual odometer mileage reflects travel for state business and except where prohibited by state regulation or authorized federal authority.

ARTICLE 20 - SEVERABILITY

Section 1. In the event that any provision of this Agreement shall be declared invalid at any time or unenforceable by any court of competent jurisdiction or through government regulations or decree, such decision shall not invalidate the entire Agreement, it being the expressed intention of the parties hereto that all other provisions not declared invalid or unenforceable, shall remain in full force and effect.

ARTICLE 21 - ENTIRE AGREEMENT

Section 1. The parties acknowledge that during negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement.

Therefore, the Employer and the Federation for the duration of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter specifically referred to or covered by this Agreement. This Article shall not be construed to in any way restrict parties from commencing negotiations under Article 1, or under applicable law on any succeeding

agreement to take effect upon termination of this Agreement.

Section 2. The parties recognize the right, obligation and duty of the Department of Administration and its duly designated officials to promulgate rules, regulations, directives and orders from time-to-time as deemed necessary insofar as such rules, regulations, directives and orders that effect the members of the bargaining units covered by this Agreement are not inconsistent with the terms of this Agreement or any supplemental agreements to this Agreement and are not inconsistent with the laws of the State of Montana and federal laws.

ARTICLE 22 - PAYROLL DEDUCTIONS

Section 1. In addition to the monthly dues deductions authorized in Article 3 of this Agreement, bargaining unit members shall be allowed to authorize Management to deduct from their pay checks such amounts that they desire in order to participate in programs that have the prior approval of both Management and the Federation.

ARTICLE 23 - TERM OF AGREEMENT

Section 1. This Agreement shall be effective as of the 1st day of July 2019 and shall remain in full force and effect through the 30th day of June 2021. If one of the parties desires to modify this Agreement, it shall give the other written notice of its intent to do so. In such case, the parties agree to give written notice not sooner than 120 and no less than 90 days prior to the expiration date and agree to meet no later than 90 days prior to the expiration date in order to renegotiate this Agreement. It is also agreed that the Employer and the Federation will meet to reopen negotiations in sufficient time to permit adequate negotiations on economic matters. The Federation shall have the right to engage in concerted activity after December 31, 2020, for matters pertaining to wages and economic benefits in the 2023 biennium.

ARTICLE 24 - NO STRIKE/NO LOCKOUT

Section 1. During the term of this Agreement, neither the Federation nor its agents or representatives will cause, sanction, or take part in any strike or any other interference with the operation of the Employer's business, except as provided in Article 23.

Section 2. During the term of this Agreement, there shall be no lockouts by the Employer.
