COLLECTIVE BARGAINING AGREEMENT

BETWEEN

STATE OF MONTANA
AND

MONTANA PUBLIC EMPLOYEES ASSOCIATION

THIS AGREEMENT is made and entered into this 10/16/2019, 2019, between the State of Montana, by and through the Department of Justice, Highway Patrol Division, hereinafter referred to as the "Employer", and the Montana Federation of Public Employees, hereinafter referred to as the "Federation."

Purpose

It is the intent and purpose of this Agreement to

- assure sound and mutually beneficial working relationships between the Employer and its employees,
- provide an orderly and peaceful means of resolving grievances,
- prevent interruption of work and interference with the efficient operation of the Highway Patrol Division, and
- set forth herein a basic and complete agreement between the parties concerning terms and conditions of employment which are not otherwise mandated by statute.

It is understood that the Employer is engaged in furnishing an essential public service which vitally affects health, safety, comfort and general well-being of the public and both parties hereto recognize the need for continuous and reliable service to the public.

ARTICLE 1.

TERM

1.1 This Agreement runs through June 30, 2021. If either party wishes to renegotiate this Agreement, it shall give written notice to the other party, at least 60 days and no more than 90 days before its expiration date, of its intention to terminate, amend, or modify the Agreement. If the Association gives such notice, it agrees to notify the Chief Labor Negotiator, State Office of Labor Relations, in writing of such requested negotiations at the same time such notice is given to the agency.

1.2 It is agreed that the State and Federation will reopen negotiations on applicable economic issues sufficiently in advance of the executive budget submittal to ensure time for negotiations to take place. Such budgetary negotiations will be deemed completed in good faith when the negotiated results are submitted to the next legislature in the executive budget, by bill or resolution.
Both parties hereby agree to support unequivocally at the legislative level, all of those items agreed to in such budgetary negotiations.

1.3 Pre-budget meeting - Management will meet and confer with MFPE during the upcoming pre-budget phase to discuss economic matters.

ARTICLE 2.
RECOGNITION

2.1 The Employer recognizes the Montana Federation of Public Employees, as the exclusive collective bargaining representative for those highway patrol troopers that the Federation is authorized to represent for the purpose of collective bargaining with respect to rates of pay, hours of employment and other conditions of employment. "Highway Patrol Troopers" includes all sworn personnel employed by the Employer up to, but not including the rank of Sergeant.

2.2 It is further understood and agreed that the Executive Director or an alternate of the Montana Federation of Public Employees, will be the official spokesperson for said Federation in any matter between the Federation and the Employer. The alternate shall be selected from one of the Federation's representatives.

2.3 Any alternate designated by the Federation President shall be designated in writing within seven calendar days of his/her designation and the period of time covered by such designation shall be included in such written notification.

2.4 A written list of the accredited officers and representatives of the Federation, Highway Patrol Chapter, shall be furnished to the Administrator immediately after their designation and the Administrator shall be notified of any changes of said representatives within seven calendar days. A copy of the published personnel roster of the Montana Highway Patrol Division (HQ-276) will be furnished to the Federation whenever such roster is updated.

2.5 Upon receipt of a written authorization from a trooper covered by this Agreement, the Employer will deduct from the trooper's pay the amount owed to the Federation by such trooper for dues. It is understood that this provision will provide for 24 deductions per year. The Employer will remit to the Federation such sums within 30 calendar days. Changes in the Federation membership dues rate and representation fee will be certified to the Employer in writing over the signature of the authorized officer or officers of the Federation and shall be done at least 30 calendar days in advance of the effective date of such change. The Employer's remittance will be deemed correct if the Federation does not give written notice to the Employer within two calendar weeks after a remittance is received, of its belief with reason(s) stated thereof, that the remittance is incorrect.
2.6 The Federation will indemnify, defend, and hold the Employer harmless against any claim made and against any suit instituted against the Employer, including attorneys' fees and costs of defense thereof, on account of any provision of this Article.

2.7 No deduction shall be made from the pay of any trooper for any payroll period in which the trooper’s net earnings for that payroll period, after other deductions, are less than the amount of dues to be checked off.

2.8 All troopers covered by the terms of this Agreement shall within 30 days of the signing of this Agreement, or within 30 days of employment, whichever is later, pay dues to the Federation.

2.9 Bargaining unit troopers may request the presence of a Federation representative during investigatory meetings and interviews if the trooper reasonably believes that discipline or discharge may result arising from the trooper’s response to questions during this interview.

ARTICLE 3.
MANAGEMENT RIGHTS

3.1 The Employer retains all rights, powers, functions and authority it had prior to the signing of this Agreement except as such rights are specifically relinquished in this Agreement.

3.2 The Employer in order to maintain efficient government operations, has sole and exclusive right to set standards of service and to exercise control and discretion over its operations. The Employer also has an exclusive right to:

- direct its troopers,
- hire, promote, demote, assign work, transfer troopers,
- relieve its troopers from duty because of lack of work, or for other legitimate reasons,
- discipline, suspend, discharge for cause,
- establish the number and starting time of shifts, work week, work day,
- and to control and regulate the use of all equipment and other property of the Employer and to require troopers to observe the Employer's rules and regulations except as such rights are specifically relinquished in this Agreement.

3.3 If the Attorney General determines that civil emergency conditions exist, including riots, civil disorders, natural catastrophes, insurrection or war, or like circumstances, and federal, state or local authorities have requested assistance, the provisions of this agreement may be suspended by the Attorney General during the time of the declared emergency. The Employer may take whatever actions may be necessary to carry out the missions of the Employer in such situations.
3.4 It is the exclusive right of management to formulate policy. Management agrees, however, to administer policies equitably to all members of the bargaining unit. The Federation will be given the opportunity to comment on and respond to proposed policy changes.

**ARTICLE 4.**
**MANAGEMENT - FEDERATION SECURITY**

4.1 Neither the Federation, any of its officers, agents, nor any trooper covered by this Agreement will instigate, promote, engage in and/or condone any strike, picketing, boycott, sit down or slow down strike, or any other concerted refusal to render services during the term of this Agreement. In the event of any such concerted activity as defined above, a responsible official of the Federation, after determining that members of the Federation are participating in such activity, will order such members to return to work and attempt to resolve the problems which led to the concerted activity. Troopers who refuse such an order may be subject to discipline.

The Employer agrees not to lockout any trooper or group of troopers covered by this Agreement during the term of this Agreement.

The Federation shall have the right to engage in concerted activities over economic matters while the Legislature is in session.

**ARTICLE 5.**
**NON-DISCRIMINATION CLAUSE**

5.1 No member of the Federation shall be discharged or discriminated against for upholding Federation principles, insofar as any such actions are protected by the Public Employees Collective Bargaining Act. Employer and the Federation affirm their joint opposition to any discriminatory practices in connection with employment, promotion or training, remembering that the public interest requires the full utilization of the troopers' skill and ability without regard to any traits, characteristics or classifications protected by the state and federal law.

5.2 The Employer shall recruit, appoint, assign, train, evaluate, and promote its troopers on the basis of merit and qualification, and in a manner consistent with the requirements of state and federal laws prohibiting discrimination in the workplace.

5.3 All references to troopers in this Agreement designate both sexes, and whenever one gender is used it shall be construed to include both, where appropriate.
ARTICLE 6.
FEDERATION ACTIVITIES

6.1 The internal business of the Federation shall be conducted by the troopers during their non-duty hours.

In cases of arbitration, a limited number of troopers, on paid time, as agreed to by the Federation and the Colonel, shall be allowed to be present and assist or be witnesses. The number of troopers and days shall be on an individual case basis. Travel expenses to and from the hearing are not reimbursable by the Employer.

6.2 It is recognized that troopers representing the Federation for purposes of negotiations or other activities relating to the administration of this Agreement, are acting on behalf of the Federation and its members and not in their capacity as troopers of the Employer. Employer's equipment shall not be used for Federation purposes, except that:

1. It is understood by the parties of this Agreement that Federation meetings of reasonable duration may be held in conjunction with regularly scheduled detachment or district meetings and that any time so used will not be considered part of a regular work shift.

2. Special meetings will be called during the three-month period immediately following the conclusion of negotiations and signing of the Agreement. At such meetings the Federation President or his/her assistant and the District representatives in conjunction with Management shall explain the Agreement provisions.

6.3 The Employer shall allow one meeting prior to commencement of negotiations to be attended by one representative from each district, to settle contract proposals. District chairmen shall be allowed to "patrol" to and from such meetings. No per diem or salary will be paid during such meeting time. At least 15 days prior to this meeting, the Federation shall notify the Colonel in writing of the meeting date, time, location, and the names of the troopers who will be attending. Hours in a pay status shall not exceed one work shift on the day of the meeting.

6.4 The Employer and the Union agree to the establishment of a Labor-Management Committee (LMC).

Subsection 1. The purpose of this LMC is to discuss any item of concern to either party and foster good communications between the Employer and the members of the bargaining unit. The LMC will not, however, take the place of the grievance procedure or contract negotiations.
Subsection 2. The LMC will be comprised of one MFPE representative, one MHP Trooper from each District, and four or more MHP Managers. LMC meetings shall constitute paid time worked for Troopers and Troopers may patrol to and from the location of the LMC meeting.

Subsection 3. The LMC will meet at a mutually agreeable time, place, and date once per quarter or more often if needed by mutual agreement. Meetings may occasionally be canceled by mutual agreement. LMC training will be utilized at the request of either labor or management.

Subsection 4. In January of 2018 and every other January thereafter, both Management and Union LMC members shall schedule Labor-Management LMC refresher training with the appropriate staff of the Board of Personnel Appeals. Members shall also review, amend, reaffirm, or if necessary re-establish a mutually agreed to Charter to govern the LMC.

6.5 A written list of the accredited officers and representatives of the bargaining unit shall be furnished to the Colonel immediately after their election and the Colonel shall be notified of any changes of said representatives within seven calendar days.

6.6 The Employer agrees to fund a pool of up to 64 hours of paid release time (combined total) to compensate Federation bargaining team members for actual hours spent in biannual contract negotiation sessions.

ARTICLE 7.
PAY AND HOURS OF WORK

7.1 The probationary period for all Highway Patrol troopers begins on the date the trooper takes the oath of office following completion of the curriculum at the MHP Advanced Academy and continues for one full year thereafter.

7.2 Nothing in this Agreement shall be construed as a guarantee or limitation of the number of hours to be worked per day, days per week, or for any other period of time except as may be specifically provided herein.

7.3 The normal work hours and work week of troopers shall remain within the discretion of the Employer to establish. It is understood and agreed that the Employer is a 24 hour per day and seven-day per week operation and that nothing in this Agreement prohibits the rescheduling of manpower to suit the Employer’s needs and requirements of the department as they may change from time-to-time.

7.4 Pay for troopers covered by this agreement will be in accordance with Addendum A.
Troopers who serve as Field Training Officers (FTO’s) will be compensated an additional $2.00 per hour in addition to their base salary for each hour that they perform assigned FTO duties.

For long form truck inspections, troopers-shall receive $50 for performing at least 40 inspections in a year, and an additional $50 for performing at least 50 inspections in a year. Inspections counting toward these totals must be verified by and meet quality standards established by MCSAP. Management will review totals and issue payments due under this provision twice per year (in early June and early December).

Troopers classified as Lead Crash Investigators will be compensated at an additional $1.00 per hour on their base rate of pay. When and if a Trooper is no longer classified as a Lead Crash Investigator, he or she will no longer be compensated the additional $1.00 per hour.

Troopers assigned as canine handlers will be compensated a flat fee of $510 per month for the care of his/her assigned canine during off-duty hours.

If the Trooper goes on leave and kennels the canine, the Trooper will bear the cost of such kenneling out of the $510 off-duty care compensation. Any kenneling arrangement must be approved by the canine program supervisor in advance.

The Highway Patrol will furnish the Trooper with all the necessary uniforms, gear, equipment, and transportation for the canine and canine handler position.

7.5 The Federation recognizes the Employer's right to schedule. Nothing in this Agreement shall prohibit the Employer from establishing alternative work schedules. Troopers shall be placed on a regular work schedule and unless otherwise specifically provided in this contract, a trooper’s work schedule shall not be changed unless first being given a minimum of 24 hours’ notice of the change. No troopers will be required to work any hours into scheduled days off if the schedule is based on five consecutive eight-hour workdays. No troopers will have their schedule changed on less than 24 hours’ notice, except in cases of manpower shortage due to illnesses or vacation, cases of emergency, or when required to finish an assigned task begun on a previous shift. Additionally, the 24-hour notice provision will apply to troopers who request a change in scheduled days off.

7.6 Pay rules promulgated by the Department of Justice and approved by the Department of Administration shall be in effect for all members of the bargaining unit.

7.7 The Division shall pay overtime compensation as follows:
Highway Patrol Troopers are in a position for which hours of duty cannot be controlled administratively and which requires a certain amount of irregular, scheduled and unscheduled overtime duty, with the trooper generally being responsible for recognizing circumstances which require them to remain on duty or be called back to duty during a work day or work week, however, it will be the trooper’s responsibility to notify a supervisor, when any overtime is expected to extend beyond two hours. If no supervisor is available, notification of the dispatcher will satisfy this notification requirement. Highway Patrol Troopers shall receive overtime compensation for this duty.

1. Basis for determining periods of work for which overtime compensation is authorized.
   a. An uncontrollable job situation which is required in the normal performance of duty that requires the troopers to remain on duty or be called back to duty.
   b. The trooper must remain on duty or be called back to duty not merely because it is desirable, but because of compelling reasons inherently related to continuation of duty and of such a nature that failure to carry out such duty would constitute negligence.
   c. Such remaining on duty, call out, or assignment must be validated by the trooper’s immediate supervisor before such time can be claimed for the purpose of overtime compensation. The immediate supervisor shall notify the trooper immediately if any overtime is not validated.

2. Rates of overtime compensation.
   a. Troopers shall be paid at the rate of one and one-half times their regular rate of pay for all authorized time they work in excess of the regular scheduled shift as designated by management or over 160 hours per 28-day work period. Authorized holiday leave, sick leave, annual leave or compensatory time off shall constitute time worked when computing overtime or compensatory time credits under this article.
   b. Upon mutual agreement between the trooper and the Employer, compensatory time at one and one-half hours for each hour worked may be substituted for overtime pay in this Section.

3. It is understood that the Division has a limited amount of money to spend for overtime purposes per fiscal year, and that the money in this fund will only be spent for overtime purposes. Should this money be spent prior to the end of the fiscal year for which it was allocated, it is agreed that the troopers will continue to perform all duties of their jobs as required, including necessary overtime. It is
further understood that overtime earned after the fund is exhausted in any fiscal year will not be paid by the Division or absorbed by funds from other programs.

4. Upon exhaustion of the monies available for overtime, compensatory time shall be granted at the rate of one and one-half hours for each hour worked in excess of the regular scheduled shift as designated by management or over 160 hours during the trooper’s 28-day work period.

7.8 Compensation for mandatory education and training sessions ordered by the Employer shall be in accordance with policy P-14, Training Hours in the MHP, Regulations, Policies and Procedures Manual.

Compensation for voluntary education and training sessions shall be uniform for all troopers, but shall be subject to requirements posted at the time of application.

7.9 The job requires troopers to respond to calls outside scheduled work hours consistent with the trooper position description and Highway Patrol General Regulations. A call out of a trooper while the trooper is in “off-duty” status shall be paid for a minimum of three hours at one and one-half time. No more than one three-hour claim in a 24-hour period will be accepted unless prompted by distinct and separate events and the original three-hour paid time has elapsed.

Management and Troopers will gather data on off-duty phone call frequency and duration. The data will be used in future compensation negotiations.

Troopers who are required by their job to appear in court outside their regular work shift will be compensated for a minimum of three hours at time and one-half pay.

7.10 Troopers shall receive compensation at the rate of ½ hour at the overtime rate of pay for phone calls answered from dispatch during the trooper’s off-duty hours if the call does not require a full response in a uniform and patrol car. To receive this compensation, troopers shall include the CFS number in the comments of the reported time. If the call does require a full response, compensation will be governed by section 7.9 above.

ARTICLE 8.
GRIEVANCE PROCEDURE

8.1 Having a desire to create and maintain labor relations harmony between them, the parties hereto agree that they will promptly attempt to adjust all complaints, disputes, controversies, or other grievances arising between them involving questions of interpretation or applications of terms and provisions of the Agreement.
8.2 Steps to the grievance procedure. “Days” or “working days” as used in this article will be defined as Monday through Friday excluding holidays.

Step 1. Any grievance, controversy or dispute relative to this Agreement shall first be taken up with the trooper’s or troopers’ immediate supervisor, within 10 days of such grievance.

Step 2. If the grievance is not settled at the first step, the aggrieved trooper, within ten days thereafter, shall present the signed grievance in writing to the District Commander. The District Commander shall investigate the facts concerning the alleged grievance and shall within ten days of receipt of the written grievance conduct a meeting with his/her representatives if needed, and the aggrieved trooper. The District Commander shall notify the aggrieved trooper of the decision not later than ten days following the meeting date.

Step 3. If the grievance is not settled at the second step, the aggrieved trooper, within ten days thereafter shall present the written grievance to the Lieutenant Colonel, the Lieutenant Colonel shall investigate the facts concerning the alleged grievance and may within ten days following receipt of the written grievance conduct a meeting between him/herself, his/her representatives if needed, and the aggrieved trooper, or shall in the alternative respond to the grievance in writing. If a meeting is held, the Lieutenant Colonel shall notify the aggrieved trooper of his/her decision not later than ten days following the meeting date.

Step 4 If the grievance is not settled at the third step, it shall be presented to the Division Administrator in writing within ten days. The Division Administrator shall have ten days to respond to the grievance.

Step 5. If the aggrieved trooper is still dissatisfied, he/she may request binding arbitration.

8.3 Rules of Grievance Processing

1. The time limits at any stage of the grievance procedure may be extended by written mutual agreement of the parties involved in that step.

2. A grievance presented at Step 2 and above shall be dated and signed by the aggrieved trooper presenting it. A decision rendered shall be written to the aggrieved trooper and shall be dated and signed by the Employer’s representative at that Step.

3. A grievance not advanced to the next higher step within the time limit provided shall be deemed permanently withdrawn and as having been settled on the basis
of the decision most recently given. Failure on the part of the Employer's representative to answer within the time limit set forth in any step will entitle the trooper to the next step.

4. When the grievance is presented in writing there shall be set forth all of the following:
   a. A complete statement of the grievance and facts upon which it is based;
   b. The section or sections of this Agreement claimed to have been violated;
   c. and the remedy or correction requested.

8.4 Rules of Arbitration

1. Should the aggrieved trooper or troopers and the Federation consider the decision of the Division Administrator to be unsatisfactory, the Federation shall, within 10 working days of receipt of such decision, notify the Division Administrator in writing, of its intention to have such grievance referred to arbitration.

2. Within 10 working days after receipt of the Federation’s intent to arbitrate has been delivered to the Division Administrator, the parties shall select a fair and impartial arbitrator from a panel that has been predetermined as mutually acceptable by the Federation and the Chief Labor Negotiator, State Office of Labor Relations.

3. If mutual agreement cannot be reached from this list, each party shall be entitled to strike names from the list in alternate order and the name so remaining shall be the arbitrator.

4. Each party shall share equally the cost of the impartial arbitrator. In the event one of the parties wants a transcript from the proceedings of the arbitration, the party requesting the transcript shall pay all costs. If each party requests transcripts, they shall equally share the cost.

5. During the processing of any matter under this or the preceding steps, the Federation agrees not to strike, render unfair reports, or cause slow down, and the Employer agrees not to lock out troopers represented by the Federation.

6. The trooper may request the Federation to act as his/her representative or to assist in any way desired in following the recourse of the grievance procedure and shall so notify the Employer.
7. The arbitrator's authority shall be limited to the interpretation and application of the express terms and provisions of this Agreement. No arbitrator shall have the power to add to, detract from, or modify the terms of this Agreement.

 ARTICLE 9.
 SENIORITY AND LONGEVITY

9.1 Seniority means a trooper's length of continuous service, as a trooper, with the Employer since his/her last date of hire.

When more than one trooper is hired on the same date, seniority shall be determined by graduation order from patrol school.

9.2 Seniority shall be computed from the date the trooper takes the oath of office following completion of the curriculum at the MHP Advanced Academy:

1. To be absent from the job due to layoffs will be considered lost time for the purpose of longevity and seniority, however, previous employment shall count toward seniority and longevity.

2. To be absent from the job due to an approved leave of absence without pay that exceeds 30 calendar days, excepting leave for active military duty or authorized leave under the Family and Medical Leave Act or the Montana Maternity Leave Act, will be considered lost time for the purposes of longevity and seniority; however, previous service upon reemployment shall count toward seniority and longevity.

3. The Employer will comply with the provision of the Uniformed Services Employment and Reemployment Rights Act (USERRA), 38 U.S.C. §§ 4301 et seq. and the Montana Military Service Employment Rights Act, §§ 10-1-1001 et seq., MCA with respect to any trooper who performs duty, voluntarily or otherwise, in the uniformed services as defined in those laws.

4. A trooper’s continuous service for purposes of longevity and seniority shall be broken by voluntary resignation, discharge or retirement.

5. Time spent in a job with the Division outside the bargaining unit shall be considered lost time for purposes of seniority, however, upon a trooper’s return to the bargaining unit, previous time spent in the bargaining unit shall count toward the trooper’s seniority.

9.3 Layoffs caused by reduction in force shall be in order of seniority within the bargaining unit; that is, the trooper last hired shall be the first released. Permanent and probationary trooper who are scheduled to be released shall be given at least 10
working days' notice. All recalls to employment shall likewise be in order of seniority within the bargaining unit; that is, the last trooper released as a result of a reduction in force shall be the first rehired when the Employer needs additional troopers. The Employer shall notify such troopers who meet the minimum qualifications in Section 44-1-401. M.C.A., to return to work; and if the troopers fail to notify the Employer within 10 calendar days of his/her intention to return to work, or does not meet the qualifications provided in Section 44-1-402, M.C.A., the trooper shall be considered as having forfeited his/her right to reemployment.

1. No permanent trooper shall be laid off while there are probationary trooper serving in the bargaining unit.

2. After a general layoff, any trooper whose position is to be abolished and who has more seniority than a trooper of equal rank, may replace that trooper provided he/she meets the minimum occupational qualifications referred to in 9.3. Such transfer shall be considered a voluntary transfer for the purposes of Article 17.

If the Employer determines that it is necessary to reduce the hours of troopers or initiate a layoff, the Employer agrees to meet and confer with the Federation prior to implementing the reduction in hours of layoff. The seven district representatives shall be allowed to "patrol" to and from the meeting, which shall be held during work time. No other expenses shall be borne by the Employer.

9.4 Longevity means a trooper’s length of continuous service with the Employer, irrespective of classification and/or assignment.

9.5 Longevity shall be counted from the hire. Longevity raises shall be computed from a trooper’s anniversary date as provided by the State Human Resources Division.

ARTICLE 10.
UNIFORMS AND EQUIPMENT

10.1 The Employer shall furnish all troopers with uniforms and equipment necessary for the performance of their respective duties, with the approval of the captain of their respective districts, provided that any such equipment and uniforms shall remain the property of the State of Montana, and provided that the Employer shall have authority to destroy, sell, or dispose of any and all obsolete equipment or uniforms in whatever manner it deems appropriate.

10.2 Uniforms and equipment furnished all troopers as stated above will be replaced at no charge to the trooper unless lost or destroyed through the carelessness or neglect of such trooper. The Employer shall take all precautions necessary to insure all uniforms are properly fitted to each individual trooper at the time of delivery. For the purpose of this Article, equipment does not include vehicles.

Meal allowances and time periods include:

- **Midday meal** $ 8.50 -between the hours of 10:01 a.m. and 3:00 p.m.
- **Evening meal** $14.50 -between the hours of 3:01 p.m. and 12 midnight

State trooper travel rules (MOM employee Travel Policy) have been written to reflect the type of travel circumstances most office-based state employees encounter. Application of these rules to duties and work situations is difficult. Due to the unique nature and type of duties troopers perform, including being at their work station when they enter their patrol cars, and working or performing job duties while in a travel status, troopers will be deemed in a travel status when the trooper, during a work shift, is away from the trooper’s home for more than three, consecutive hours in one of the time periods specified above. In addition, a trooper’s home shall be deemed to mean headquarters for per diem purposes.

Troopers who are called out or work overtime will be eligible for additional meal allowances, as established in statute, if they begin work more than one hour before or terminate work more than one hour after their normally assigned work shift. Troopers, who travel on overnight assignments, away from their duty stations, will be eligible for meals and lodging as provided in statute.

When a trooper is scheduled to work and works a recognized holiday as part of his/her regular work week, except for Memorial Day, the Fourth of July holiday, Labor Day and Thanksgiving, (Big 4 Holiday), the Employer shall allow the trooper to bank one and a half times the actual hours worked, not to exceed 15 hours as holiday leave to compensate for working the holiday, in addition to regular compensation for actual hours worked, up to 10 hours. Any time worked above 10 hours would be claimed as overtime. Troopers who are required to work Memorial Day, the Fourth of July holiday, Labor Day, or Thanksgiving (Big 4 Holiday) will be compensated at the rate of two and one-half times their regular rate of pay for all hours worked on the holiday; this cannot be converted to banked days off.

If a holiday (non-Big 4 Holiday) falls on a trooper’s regular day off and they work a call out or special overtime, they will be compensated by banking 10 holiday hours as well as receiving overtime for the hours worked.

If a Big 4 holiday falls on a trooper’s regular day off and they work a callout or special overtime, they will be compensated by banking 10 holiday hours as well as receiving two and one-half times their regular rate of pay for all hours worked on the holiday.

11.3 Whenever a trooper’s scheduled day off falls on a recognized holiday, the Employer shall allow the trooper to take a day off at another date as holiday leave to equalize the recognized legal holiday. Should any holiday not be used due to scheduling or other reasons, then that trooper shall be allowed to accrue holiday leave. Banked holiday hours on the books as of December 31 will carry forward into the next calendar year. Troopers will have the option of using the banked holiday hours through June 30. Any excess prior year banked holiday hours on the books as of June 30 will be cashed out by paying the trooper’s regular rate of pay for each hour banked on the pay period that includes June 30. Banked holiday benefit hours are cashed out as a lump sum payment as supplemental income and taxed accordingly. The maximum amount of holiday hours to be cashed out will be 60 hours per calendar year.

ADDENDUM A

MPEA-Montana Highway Patrol
2019-2021

This addendum represents the parties’ entire agreement with respect to Troopers’ base pay in accordance with 2-18-303(5), Montana Code Annotated (MCA). The parties share a mutual interest in maintaining a competitive salary schedule for troopers at all years of service. To that end the parties will compare relevant survey information every two years in an effort to maintain a competitive compensation package.

For the term of this contract, it is agreed that the Troopers’ years of service will determine placement within Section 1 (below). Troopers’ years of service will be computed using their swearing-in date and July 1, 2021. Career progression or future movement will be a priority for discussion by the Montana Highway Patrol Labor-Management Committee.

Section 1- Pay Schedules
Trooper’s base pay shall increase to the following levels effective July 1, 2019.
Entry (Probationary) $24.325
Upon completion of probation $25.503
All other troopers 4.31%
No trooper will be paid less than $24.325 per hour.
No trooper who has completed probation will be paid less than $25.503 per hour.

Section 3-Trooper Career Ladder
Career Ladder Advancement. This section provides the system for advancing MHP Troopers within the following Career Ladder. Troopers will be promoted when they have met the requirements for advancement. This career progression ladder is separate from and in addition to salary survey base increases. The percentage increases are cumulative over the course of a Trooper’s career.

The purpose of this Career Ladder is to provide troopers the opportunity to advance in their careers, to increase Trooper retention by providing opportunity for periodic professional and economic growth, and to demonstrate MHP’s commitment to increasing Trooper competency through training. Sergeants may approve Trooper’s training requests. Trooper’s training requests that are denied, may appeal the determination to their respective Majors or the HR Business Partner.

Promotion within the Career Ladder is allowed without a vacancy. A Trooper will be eligible for promotion when s/he has met the requirements of the career ladder progression. Promotion is not based on race, sex, age, religion, national origin, handicap, marital status, political beliefs, or any other factor that would be in violation of
federal or state civil rights laws. The effective date for promotion will be the first pay period after the trooper has met all promotion requirements. Promotion cannot be withheld based upon evaluation ratings or disciplinary action.

ADDENDUM D

Memorandum of Understanding
Between
MFPE & Montana Highway Patrol

July 1, 2017
Effective until revoked

MFPE agrees with the Department of Justice Highway Patrol Division to implement and continue a voluntary physical fitness program. Both parties agree to the following:

The Montana Physical Abilities Test (MPAT) will be the standard used to gauge physical fitness levels of Troopers. Participation is voluntary and Troopers will have the opportunity to complete the test once a year.

Rules governing the MPAT are as follows:

1. Troopers may participate in the MPAT once annually during the months of July, August, September, October, November and December. The first opportunity to take the test will be in July.
   a. It will be the responsibility of each trooper to schedule the date and time they will run the MPAT. Troopers will go directly through their immediate supervisor when scheduling their test.
   b. Participation in the MPAT will be done in an on-duty status. Troopers will be compensated for driving to and from the test, as well as for time incurred at the test site.
   c. Troopers who are in a probationary status will not be allowed to receive compensation for the MPAT.
   d. District Commanders will be responsible to schedule testing opportunities.

2. After completion of the MPAT, troopers will be compensated by receiving pay or compensatory (comp) time.
   a. At the time the test is taken, each Trooper will complete an election form choosing pay or compensatory time as a completion incentive as listed in ‘b’ below.
   b. The incentive matrix for voluntarily completed MPAT is as follows:

c. If comp time is elected, any comp time earned by a trooper shall be used prior to July 1 of the following calendar year.

i. The comp time may not be rolled over from year to year, but the deadline for using the comp time may be extended on a case by case basis in a fashion similar to excess vacation time usage.

ii. The comp time may not be converted to cash. If it is not used, it will be forfeited.

iii. District Commanders, along with Detachment Sergeants, will monitor their respective troops to ensure any comp-time earned is used prior to July 1.
