## **PREAMBLE**

THIS AGREEMENT made and entered into this 3/19/2020 by and between the State of Montana, Department of Revenue, Liquor Warehouse, (hereinafter referred to as the "EMPLOYER") and the Montana Federation of Public Employees (hereinafter referred to as the "FEDERATION ") for the purpose of promoting and improving understanding between the Employer, its employees, and the Federation , relative to: Employer-employee relationships; conditions of employment; and to provide a means of amicable and equitable adjustment of any and all differences or grievances which may arise.

## **ARTICLE 1** **RECOGNITION**

Section 1. The Employer recognizes the Federation as the sole bargaining agent for employees working in the Liquor Warehouse as listed by classification in Addendum "A" attached.

Section 2. All employees covered by this Agreement shall be classified according to the Blue Collar Plan. When new classifications are being created or reclassifications are necessary, the Union will be notified so that they may offer suggestions regarding new or changed classifications.

Section 3. Availability of Federation Membership: The parties agree that membership in the Federation is available to all employees.

Section 4. Agency Shop: No employee in a bargaining unit shall be required to become a member of the Federation as a condition of employment. Each employee shall have the right to join, not join, maintain, or drop Federation membership. Membership in the Federation shall be separate, apart, and distinct from assumption by each employee of his/her equal obligation to support the financing of the cost of collective bargaining from which the employee receives benefits equal to those received by Federation members. It is recognized that the Federation is required both under law and under this Agreement to represent all of the employees in the bargaining unit fairly and equally without regard to whether or not an employee is a member of the Federation. Inasmuch as the terms of this Agreement have been made for all employees in the bargaining unit, and all employees derive benefits thereunder, it is fair that each employee in the bargaining unit assume his/her fair share of the obligation along with the grant of equal benefits contained in this Agreement. The Union will indemnify, defend and hold the Employer harmless against any claim made and against any suit instituted against the Employer, including attorney's fees and costs of defense thereof, on account of any provision of this Article.

Section 5. Part-time and temporary employees will be considered for hire to a permanent position before the hiring of any other personnel.

Section 6. The Employer agrees to accept and honor voluntary written assignments of wages or salaries due and owing employees covered by this Agreement for initiation, reinstatement, and dues providing such assignments can be grouped and the total made payable to one assignee.

Section 7. The Federation agrees to indemnify and hold harmless the Employer for any loss or damages arising from the operation of Article 1, Section 6. It is also agreed that neither any employee nor the Federation shall have any claim against the Employer from any deductions made or not made, as the case may be, unless a claim of error is made in writing to the Employer within 60 calendar days after the date such deductions were or should have been made. This clause shall not be construed as relieving management of liabilities for the adjustment of management error.

Section 8. The Federation shall provide the Employer with the names, addresses and telephone numbers of the Federation officers and Federation steward within 10 days of any changes in the holders of Federation offices and/or the Federation stewardship.

## **ARTICLE 2** **EMPLOYMENT POLICY**

### Section 1. Probationary Period

- A. The Employer shall utilize the 6 month probationary period for new hires to determine the individual's competency in any position covered by this Agreement.
- B. Such dismissal shall be without recourse to the grievance procedure unless there has been a violation of this Paragraph.
- C. Reason for the dismissal shall be in writing and a copy given to the employee.

Section 1. The Employer shall use the factors of experience, qualifications, capabilities and seniority in awarding promotions to employees when filling newly created or vacated positions. Where two or more candidates for a position are determined to be equivalent in experience, qualifications and capabilities, then the more senior shall be appointed. It is the intention of the parties to this Agreement that preference in promotions shall be granted to persons already employed.

Minimum qualifications for new positions shall be furnished in writing to the Federation by the Employer. If such qualifications include possession of a high school diploma, qualifying experience shall be considered an equivalent. If there is a difference of opinion regarding the qualification of an employee, the employee affected may proceed in accordance with the grievance procedures as outlined in Article 10 hereof.

Section 2. Lay-offs caused by reduction in force shall be in order of seniority; that is, the employee last hired shall be the first released except when there is no available qualified personnel left to carry out the work in a class, in which case management can retain a qualified person with less seniority. Employees who are scheduled to be released shall be given at least 10 working days' notice. All recalls to employment shall likewise be in order of seniority; that is, the last employee released as a result of reduction in force shall be the first rehired when the Employer needs additional employees. The Employer shall notify such employees to return to work and furnish the Federation a copy of such notification; and if the employee fails to notify the Employer in writing within 5 calendar days of his/her intention to return to work, such employee shall be considered as having forfeited his/her right to re-employment.

Section 3. Seniority shall be computed from the date the employee began regular uninterrupted service with the Employer within the bargaining unit.

Section 4. Employees whose seniority dates are the same shall have their respective seniority rank determined alphabetically by last name, first name, and then middle initial.

In accordance with the provisions of Title 49, Chapter 3, M.C.A., the Employer shall recruit, appoint, assign, train, evaluate, and promote its employees on the basis of merit and qualification, without regard to race, color, religion, creed, political ideas, sex, age, marital status, physical or mental handicap, national origin, or ancestry. Employers may not enter into any benefit plans such as retirement, pension, or insurance plans which may be construed as subterfuges to evade the purpose of the act. Furthermore, the Employer may enter into bona fide seniority systems that are not so structured so as to perpetuate any past discriminatory practices that may have existed.
