It is understood that the wage rates reflected under "Addendum A" of the Labor Agreement between the Federation of Public Health & Human Services Employees, Local # 4573, MFPE, AFL-CIO, and the State, excludes the agreed upon adjustment for the state contribution into the group health insurance program. OVERTIME AND COMPENSATORY TIME

If the employee's leave balance reaches 120 hours, the employee's election will automatically be changed to overtime. The overtime will remain in force until the next open election period. The month of June each year is the period when an employee may change their election by submitting a new form approved by the supervisor.

Subsection 2. The Employer and the employee shall arrange for the taking of such compensatory time by mutual agreement.

Subsection 3. Compensatory time earned will not be recorded in increments of less than one-half hour.

Subsection 4. Compensatory time may be accumulated to a maximum of 120 hours.

Section 2. The Employer will make a good faith effort to equalize the offer of scheduled overtime and compensatory time among employees in the same work unit and classification where training and ability are sufficient to do the work.

If job-related travel time is scheduled for other than the employee's normal work week, such travel time shall be compensated in accordance with the terms of this Section.

Section 4. Sick leave, annual leave, or compensatory time off shall not constitute time worked when computing overtime or compensatory time credits under this Article. Management may adjust an employee's work schedule in a work week or require the employee to take time off so that the employee does not become eligible for the payment of overtime or accrual of compensatory time while using annual leave, compensatory time, and sick leave in a work week.

Section 5. The Employer agrees that no supervisor or administrator will regularly perform the duties of an employee covered by this Agreement who is ready, willing, and able to perform such duties.

ARTICLE 20
EMPLOYEE RIGHTS

Section 1. A probationary period shall be utilized for the most effective adjustment of a new employee and for the separation of any employee whose performance does not, in the judgment of the employee's supervisor, meet the required standard of performance. The probationary period shall last for six months. If the Employer determines at any time during the probationary period that the job performance of the probationary employee is unsatisfactory, the employee may be separated upon written notice from the Employer, stating the reasons for the separation. The separation of a probationary employee is not subject to the grievance procedure.

Section 2. No permanent employee may be disciplined or discharged except for just cause and with due process. Due process requires that an employee is informed in writing of the reason(s) for the disciplinary action and is provided with an opportunity to respond to the proposed action prior to its implementation.

Section 3. An employee may request the presence of a representative during an investigatory interview which the employee believes may reasonably result in disciplinary action. It is understood that the employee may decline to answer any specific question during such an interview.

Section 4. Any employee charged by a client with improper behavior or with violating an agency rule or policy shall be deemed innocent until such time as sufficient evidence to the contrary has been presented. Any disciplinary action based on a client complaint may be appealed through the grievance procedure.

Section 5. Positions which are currently filled by bargaining unit members shall not be made into a job-sharing position except by mutual agreement or until the position becomes vacant.

Section 6. Employees shall receive a copy of their current position description or class specification from Human Resources within five working days after Human Resources receives an oral request.

Section 7. An employee may obtain a copy of any document in their personnel file. An employee may place any relevant document in their personnel file.

Section 8. The statewide performance evaluation system or another system approved by the Personnel Division shall be utilized by the Employer in the evaluation of employees covered by this Agreement.

Section 9. Whenever performance appraisals are prepared, a copy of the results of the evaluation shall be transmitted to the employee. The immediate supervisor shall discuss the evaluation with the employee and note by signature retained in the personnel file that the

evaluation has been discussed with the employee. If the employee desires to submit a written response to the performance appraisal, the response shall be submitted within 15 working days of the receipt of the appraisal. Contents of performance appraisals are not grievable under the terms of this bargaining agreement unless they are tied to pay.

Section 10. No information reflecting critically upon an employee shall be placed in the personnel file of the employee that does not bear either the signature or initials of the employee indicating that they have been shown the material, or a statement by a supervisor that the employee has been shown the material and refused to sign it. A copy of any such material shall be furnished to the employee.

Section 11. Letters of warning or reprimand shall be removed from the employee's personnel file after 12 months, unless the employee is formally disciplined within the 12-month period, or unless the material is applicable to a pending legal or quasi-legal proceeding. In order for letters of warning or reprimand to be removed, the employee must request in writing to Human Resources, to have the letter removed. Letters of suspension shall be removed from the employee's personnel file after 18 months, by written request from the employee to Human Resources, unless the employee is formally disciplined within the 18-month period, or unless the material is applicable to a pending legal or quasi-legal proceeding. In such cases, any disciplinary letters shall remain in the personnel file for at least one year from the date of the most recent formal disciplinary action, until the resolution of the pending legal or quasi-legal proceeding, or, in the case of suspension until the expiration of the original 18-month period, whichever is longest.

Materials which are related to client abuse, mistreatment, or exploitation, shall become permanent contents of the employee's personnel file. Those older than 18 months may be used only in support of disciplinary actions related to client abuse, mistreatment, or exploitation.

Section 12. Material shall not be placed in the personnel file of an employee which is not in conformity with this Article, nor shall such material be used in any subsequent evaluation or disciplinary proceeding involving the employee.

Section 13. Employees who terminate their service will be furnished, upon request, a letter stating their classification and length of service.

Section 14. The Employer shall ensure reasonable access to each employee an up-to-date policy manual of its rules, regulations, and policies on employment related matters. The Unit Supervisor shall provide information on new procedures within the unit prior to implementation.

Section 15. Any employee desiring that material, other than performance appraisals (unless tied to pay), which they feel is incorrect and should be removed from the personnel file of the employee, shall have the right to appeal it through the grievance procedure.

Section 16. During the term of this Agreement the Federation will be notified at least 60 days in advance of any Employer decision to contract out bargaining unit work. The effects of such contracting out shall be subject to negotiations prior to implementation.

Section 17. All vacant positions which require a background check shall include such requirement in the position announcement and specify any known type of background check. Information obtained as a result of a background check shall not be maintained in the employee's personnel file.

Section 18. Upon notification from the Federal Government of changes to federal systems requiring background checks of current employees, the Department shall provide notification to the Federation. Upon written request the Department will provide a list of affected members.

ARTICLE 21

SENIORITY AND LAYOFF

Section 1. Seniority means the total length of service in any position in the agency. For employees hired after October 1, 1996 seniority will be the total length of service in the bargaining unit. Section 5. Any permanent employee subject to transfer or non-disciplinary demotion shall be given at least 15 working days advance notice of the action.

Section 7. The applications of employees with permanent status who are subject to layoff and are qualified to fill a vacancy or newly created position will be given preference for one year over other applications from outside the bargaining unit to the extent that the actions are not in conflict with law.

Section 8. Recall from layoff shall be in reverse order and by classification. In recalling employees, the Employer shall send a certified, return receipt letter to the last known address of the employee with a copy to the Federation. The letter shall state that failure to notify the Employer within 15 working days of their intent to return to work shall be limited to a period of one year following the date of layoff.

ARTICLE 22
JOB POSTING

Section 1. The following procedures will be followed in the posting and filling of vacant or newly created permanent positions. The purpose of this system is to inform employees of vacancies and newly created positions and to afford employees, who are interested and who feel they qualify, an equal opportunity to apply for the vacant or newly created position. The posting requirements of this Article will be waived when a position becomes open or otherwise vacant and a similar recruitment pool exists for the position within the same geographical area. In such cases the Employer reserves the right to utilize the pool for a period 6 months.

Subsection 1 The Employer shall regularly prepare and post information regarding vacant employment positions and newly created permanent employment positions in a reasonable manner and place to make such information available to members of the bargaining unit.

Subsection 2. The Employer will ensure that all applications are considered in the selection process. Members in the bargaining unit who are unsuccessful applicants shall be so notified upon completion of the selection process. When a bargaining unit employee who has applied for an open position is not selected, they shall be entitled, upon request, to a written statement of the reasons why they were not selected.

Subsection 3. All positions in the bargaining unit and those positions that immediately follow in a logical ladder shall be posted per the provisions of this Article for at least seven calendar days.

Subsection 4. With the concurrence of the Federation, the posting requirements of this Article may be waived in situations where a bargaining unit employee is transferred or demoted for disciplinary reasons or for poor work performance or in situations where the assignment is the result of a grievance settlement between the Employer and the Federation.

Subsection 5. Management may waive the posting requirements of this Article to allow the lateral transfer of an employee. If two or more express interest, seniority shall be a factor in selection.

ARTICLE 23
HEALTH AND SAFETY

Section 1. Both the Employer and the Federation affirm their commitment to cooperate in the maintenance of a safe and healthful working environment including open communication and ongoing training. In the event that an employee presents sufficient evidence of a hazardous work environment, the Employer agrees to take all necessary steps to ensure the safety of the employee.

Section 2. The parties agree that mutual respect between and among managers, employees, coworkers, and supervisors is integral to the efficient conduct of the functions of the Department. All employees are expected to follow Department policies, including the Employee Conduct Policy, the Non-Discrimination Policy, and the Harassment Policy.

Section 2. During the term of this Agreement, there shall be no lockouts by the Employer.

ARTICLE 28
SEVERABILITY

Section 1. In the event that any provision of this Agreement shall be declared invalid or unenforceable by any court of competent jurisdiction, such decision shall not invalidate the entire Agreement, it being the expressed intention of the parties that all other provisions not declared invalid or unenforceable shall remain in full force and effect. Either party may initiate negotiations on the provision declared invalid.

ADDENDUM A

Broadband Pay Plan Provisions

This agreement represents the parties' full and complete agreement for all provisions of the Broadband Pay Plan under the term of this contract.

Section 1. Across the Board Pay Adjustments

Employees will receive a \$.50 salary increase each year of the biennium. Wage increases will become effective the first full pay period that includes January 1, 2020 and January 1, 2021.

Further, in accordance with Section 2-18-303(4)(a)(i), these adjustments will not be provided to employees until the State receives written notice that the employee's collective bargaining unit has ratified the agreement. If that notice is received after the effective date of the pay adjustment.

Section 2. Longevity. All of the calculations are base rates and not inclusive of longevity.

Section 3. Hiring rates. Employees new to state government will typically be hired at the entry for the occupation. In determining a new employee's hiring rate above entry, the Supervisor, or designee, shall consider criteria such as: the employee's job-related qualifications and competencies; existing salary relationships within the job class, band and work unit; department affordability; and the competitive labor market.

Section 4. Training Assignments. The Supervisor or designee may establish written training assignments to enable an employee to gain the additional experience and training required for the job for a period of time not to exceed two years. At the completion of the training assignment, the employee's pay will be set no less than the entry rate of pay for the occupational pay band.

Section 5. Market-based pay: Pay awarded to employees based on comparisons to how other employers compensate employees in similar jobs. Market-based comparisons consider not only base pay, but also other types of compensation and benefits having a definable dollar value. The Department may consider market-based pay adjustments on a case-by-case basis.

Section 6. Competency-based pay: Pay based on an assessment of an employee's job-related competence. The Department may consider competency-based pay adjustments on a case-by-case basis.

Section 7. Results-based pay: Pay awarded to employees or employee teams based on accomplishments. Results-based pay may be awarded for specific outcomes or outputs. The Department may consider results-based pay adjustments on a case-by-case basis.

Section 8. Strategic pay: Pay awarded to attract and retain key employees with

competencies critical or vital to achievement of the Department's mission or strategic goals. The Department may consider strategic pay on a case-by-case basis.

Section 9. Situational pay: Pay based on circumstances that occur that are not encountered in either the majority of jobs in state government or jobs used to make market comparisons. It is intended to address difficulties in recruitment and retention. It may be considered when atypical requirements exist in a position, for example, unusual hours, extreme physical demands, or environmental hazards that are causing recruitment and retention problems. The Department may consider situational-based pay on a case-by-case basis.
