About MFPE Members' Endorsement Process

MFPE members don't blindly endorse anyone, and we don't let factors other than our own union values dictate our endorsements. **This year, MFPE members have endorsed Independents, Democrats, and Republicans.** We've endorsed Judge Amy Eddy, a non-partisan candidate for Supreme Court. And we're so proud of the two dozen+ members running for office!

Local MFPE members drive our endorsement process. Teams in communities across Montana invite every candidate for the legislature to thirty-minute interviews. Our elected MFPE Board of Directors interviews candidates for higher office using the same format. **Vote by Tuesday, November 3rd!**
